SSC To Get New Crosswalk

Brother Donnan Berry, SC, president of St. Stanislaus, has announced that plans are underway for the construction of an elevated walkway across Beach Boulevard to the pier. This crosswalk will be similar to the one which existed from 1947 until Hurricane Camille.

Mr. Fred Wagner is the architect for the project which is under the aegis of the SSC Board of Directors.

Noting the increased vehicular traffic on Beach Boulevard in recent years, the Board decided that it would be desirable to provide a larger measure of safety and convenience for the students and campers for access to the pier. The proposed design will incorporate the arched structures of the older buildings on campus so that the new walkway will harmonize well with its environs. It will provide easy access to the pier for both walkers and those in wheel chairs.

Recent property donations of Mr. and Mrs. Jimmy Bryan '41 and Dr. and Mrs. John Ochsner will provide major funding for the proposed walkway. Additional gifts to pay for the project are being sought.

SSC Campus Expands

The house and property at 114 Bookter Street -- across the street from the Brother Alban Dining Hall -- and a vacant lot on Union Street near Hancock, have been purchased and made a part of the school campus.

These two properties were part of the estate of the late Mr. and Mrs. Anthony J. Benigno, Sr. and were puchased from their heirs, with the assistance of Mr. Anthony J. Benigno, Jr. '54, Mr. Michael D. Haas '51, and Mrs. Susan Ritten. Mr. Benigno is one of the heirs and Mr. Haas and Mrs. Ritten are members of the SSC Board of Directors.

The lot on Union Street will be cleared and filled in and become a part of the play area. A study is presently being undertaken to determine the best use of the residence on Bookter Street.

Couvillion Named Superior General

Brother Bernard Couvillion was named Superior General of the Brothers of the Sacred Heart on September 9. Brother Bernard is the first American elected Superior General and is the first to be elected without previously serving on the General Council. He will serve over 1500 brothers in 28 different countries.

Although born in New Orleans, he attended Sacred Heart School in Baton Rouge where he came to know the Brothers of the Sacred Heart through Catholic High School.

Brother Bernard attended Spring Hill College in Alabama and graduated Summa Cum Laude with a BA degree. He obtained an MA degree in English education from Florida State and a master's degree in pastoral studies from Loyola University in New Orleans. He has also done additional graduate studies in spritiuality. Brother Bernard began

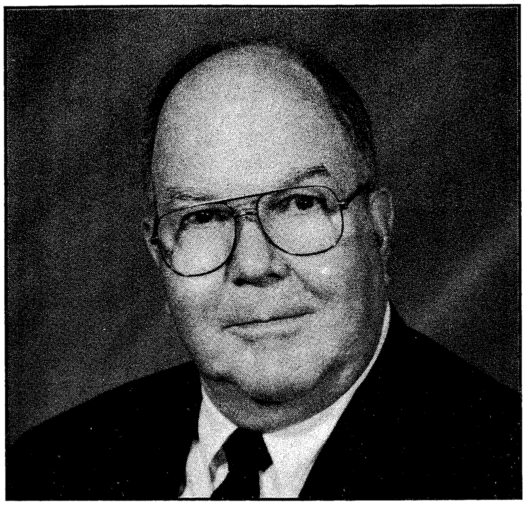
Dear Alumni and Friends,

Your alma mater is on the move and it looks as though 1995 is going to be our best year so far!

Our academic program is getting better every day, and our extraordinarily well-kept facilities keep expanding and improving. Our residency program continues to do an even better job for the 286 students who live with us and profit most from our 141 years of experience with "boyology". And Brother Pierre's cooking has done absolutely nothing to help me with my own personal Battle of the Bulge. (I have been here a year and a half and it amazes me that I have not heard one student complain about the food!) And Camp Stanislaus provides more wholesome fun in six weeks than most youngsters get during their entire childhood.



Brother Donnan Berry, SC

Just a cursory investigation readily shows why St. Stanislaus is so outstandingly effective: it's the people "in the trenches!" It's those who teach and prefect and nurse and clean and feed and do all the many prosaic but necessary daily things it takes to help a boy become a man of character. We have a truly talented and dedicated faculty and staff, and, what's even more important, they are experienced and they love kids. What a winning combination.

But best of all they show a kid what it means to be a person of character. We've all heard the old adage, "I can't hear what you're saying, because what you are drowns out your words!" The students here are exposed daily to worthy role models who not only tell them how to become mature, caring, value-centered adults, but they provide living examples of how it should be done.

Our parents and alumni have long been aware of all of this, so it is no wonder that the response to both the recent Alumni Annual Appeal and the Parents Annual Giving Appeal has been extraordinary. More than ever before the many alumni, parents and friends of SSC are coming forward and offering their gifts to keep the spirit and the fact of St. Stanislaus alive and thriving. As I said last month, quality is not easy to come by or to sustain; it has to be worked for and paid for.

We're working at it, and we thank you for your gifts to help us to pay for it. Without your encouragement, your moral and verbal support, and your gifts, we couldn't keep getting better all the time. You are definitely that important to the future of St. Stanislaus.

Best wishes to you and yours for a very blessed and happy 1995! Count on the prayers of all of us Brothers throughout this new year.

Sincerely in Corde Jesu,

Bro. Donn, S.C.

Brother Donnan Berry, SC

Annual Alumni Appeal

The Annual Alumni Appeal is presently almost four times greater ($25,790.00) than last year ($7,914.00). Begun again last year, the Alumni Appeal had been temporarily halted during the first two years of the Endowment for Excellence Campaign. A final appeal will be sent in early January to alumni who have not as yet participated. Thanks to the many alumni who have responded so generously. The young men at SSC, your successors, are the direct and only beneficiaries. Your contributions make a difference for them.

Parents Annual Giving Appeal

The third Parents Annual Giving Appeal ($50,900.00) to date exceeds last year's total ($35,094.00) by over $15,000. 237 parents are making this year's appeal a success. This appeal will be completed by early January. A victory letter will be sent to the parents with the final results.

his teaching career at St. Aloysius (now Brother Martin High School) in New Orleans in 1968.

He has served as pre-novitiate, novitiate, and post-novitiate director, as well as chairman of the New Orleans Province Spiritual Life and Formation Committees. He served three years on the Provincial Council before being elected provincial of the New Orleans Province in 1988. His service to the larger institute includes membership on the international committees for the revision of the Rule of Life and for the writing of the Formation Guide. He has also been a presenter in several sessions in English-speaking Africa and in the international sessions in Rome. In addition, he was part of an animation team between 1984 and 1987 which offered retreats on the spirituality of the Rule of Life to brothers in Africa, England, Australia, and the three United States provinces. He represented the New Orleans Province at the General Chapter in 1976, 1982, 1988, and 1994.

Brother Bernard will reside in Rome.

SSC Teachers are Honored

Jacqualine Davidson

The Mississippi Women Band Directors Association recently presented Jacqualine Davidson, St. Stanislaus College Prep teacher, with the first Outstanding Junior High Band Director of Mississippi Award at their state clinic. Ms. Davidson has been teaching band students for 33 years and received the award for her "outstanding service and unselfish devotion to the students of Mississippi."

Jacqualine Davidson was presented the Outstanding Junior High Band Director of Mississippi Award by Glen Buckalew, a former student and current Gulfport High School band director.

Ms Davidson has been past president, vice-president, and treasurer of the Mississippi Chapter of Women Band Directors. She has also been elected as past president and vice-president of the Gulf Coast Band Directors Association. Ms. Davidson is a respected band director and has been a concert judge in numerous competitions throughout Mississippi, Alabama, and Tennessee. She has also been a guest conductor at many clinics.

Bands that Ms. Davidson has conducted have won Sweepstakes Awards and All-Superiors. She was selected as Teacher of the Year at Pascagoula Junior High School and twice has been honored as a STAR teacher. Ms. Davidson has been a member of Delta Kappa Gamma and Mu Phi Epsilon. She is also currently a member of the Gulf Coast Band Directors Association, the Mississippi American Federation of Teachers, Mississippi Bandmasters Association, National Women Band Directors Association, Phi Delta Kappa, and Phi Beta Mu.

Ms. Davidson is in her second year at SSC teaching beginning band students.

Eddie Burgo

Coach Eddie Burgo, cross country coach at St. Stanislaus, was selected District 8-4A "Coach of the Year". Coach Burgo's cross country team captured their fourth straight District title and for the second straight year finished as State Runners-up in Mississippi 4A competition. Burgo's teams have finished in the top three of the state every year, including a 1991 state title.

Coach Burgo graduated from E. D. White High School in Thibodaux, LA, and received his B.S. and M.Ed. from Nicholls State University.

Coach Burgo serves as ninth and tenth grade guidance counselor and also teaches 9th grade religion. He has been at SSC for six years.

John Ross

John Ross, teacher and prefect, was published in Mexican Business. He is also a tour consultant with Pura Vida Tours for educational, ecological, and adventurous world-wide tours.

Mary Dillenkoffer

Mrs. Mary Dillenkoffer has been inducted into the Alpha Upsilon Chapter of Delta Kappa Gamma Society International. The organization honors women who have made outstanding contributions in the field of education.

Mrs. Dillenkoffer has her B.A. and M.Ed. degrees from University of Southwestern Louisiana. In 1993 she was selected as STAR teacher by a student she taught seven years earlier when the student was in the fifth grade.

Mrs. Dillenkoffer has been teaching for sixteen years and has taught at several Catholic schools, including Our Lady of Fatima in Lafayette, LA; St. Alphonsus in Ocean Springs, MS; and at Bay Catholic before coming to SSC. Now in her sixth year at St. Stanislaus, Dillenkoffer teaches reading to 6th, 7th, and 8th grades. In addition to her teaching duties, Mrs. Dillenkoffer is moderator of the Parents Leadership Team.

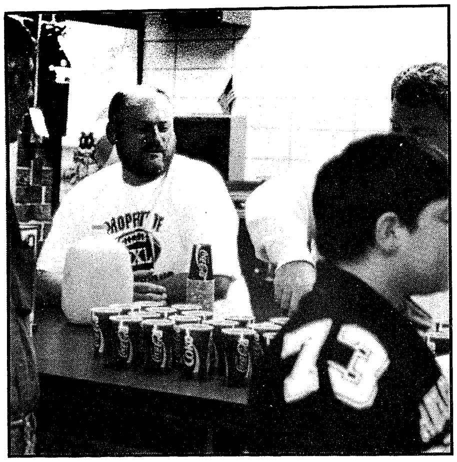
Gridiron Club

Coach Brannon LeBlanc and his staff named football awards in honor of four of Stanislaus' athletes who are all in the SSC Hall of Fame: Doc Blanchard '42, Harry Glover '28, Marchie Schwartz '27, and Pete Taylor '39. LeBlanc said that the football players need to be reminded of the great athletes who have attended SSC so that they can be proud to be in such a tradition. Craig Lorio received the C. J. Pete Taylor Award. Jeep Mestayer received the Harry Glover Award. Brooks Quinlan received the Marchie Schwartz Award and Brandon Benoit received the Doc Blanchard Award. Nathan Middleton was named as Mr. Rock-a-Chaw.

Throughout the football season Mike Meyers, State Farm Insurance, sponsored the Varsity "Players of the Week" and the Knights of Columbus sponsored the Junior Varsity Players.



The Gridiron Club held a Father/Son Breakfast. Pictured is Neil Favre '71 who along with the other officers, Butch McPherson and Greg Niolet, prepared and served the meal.

(Left to right) Gloria and Pete Taylor, Mrs. Marie Glover (wife of Harry Glover) and David Glover '38 (Harry's brother) attended the awards presentation.

The Piranhas

Sean Ziegeler placed 3rd in the 100 Breast and the team of Sean Ziegeler, Matt Tusa, Jason Johnson and Robert Richmond placed 6th in the 200 Free Relay during the State Swim Meet. Brother Albert Ledet, SC was coach.

The SSC/Bay High School Alumni Soccer game was played Dec 29. Results were not available at the time the Alumni Newsletter went to press. Details will be in the next issue.

Correction: Thanks to E. M. Gibbens '39 who was co-captain of the 1938 "Real" Mississippi Gulf Coast Champions for putting the facts in order. This team was undefeated, not the 1941 team as stated in the September Alumni Newsletter.

For the fourth consecutive year, the SSC Cross Country team was crowned District Champions. At the State Cross meet, the team was state runners-up. Members of the cross country team include: (front row, left to right) Scott Black, Kippy Chamberlain, Patricio Ramirez, and Matt Tusa; and (back row) Matt Dillenkoffer, Michael Mancuso, Scott Esher and Coach Eddie Burgo.

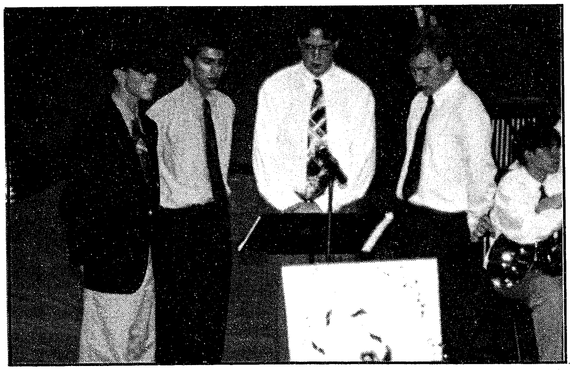
Treble Makers

The St. Stanislaus Band attended two competitions in the fall and drum majors, color guard, percussion, and the band earned "Superiors" during the course of both contests.

The Sailors

In mid-December the SSC Sailing team competed in the USF&G High School Sugar Bowl Regatta and took first place honors. Now in its fifth year, the Regatta was special for the SSC team because they defeated four year champions, Jesuit High School of New Orleans.

Booster officers are: Walter Chamberlain, president; David Taylor, vice-president; Margaret Taylor, secretary; and Coach Rory Rafferty, treasurer.



The Barbershop Quartet, under the direction of Br. Pierre St. Pierre, sang favorite Christmas carols during the Beginner and High School Bands annual Christmas Concert in December. Pictured, left to right, are: Glenn Pearce, Matt Holder, Jeff Vogel, and Tim Kayes.

Donations to SSC

Michael G. Miller donated two new air conditioning units for the Student's Chapel. Mr. Miller is president of Star Service which has the contract for the upkeep of our air conditioning equipment. He is the father of Brit, one of our senior resident students.

Ellis Cuevas '53 donated copies of articles published in the Sea Coast Echo about SSC and Rip University and a Reader used at the Back School.

Derek Breerwood, through the generosity of his mother Mrs. Elmer Breerwood, donated Rock-A-Chaws, press clippings, and an SSC memory book from his grandfather's era -- the early 40's. Elmer was quarterback of the SSC football team in '42 when 35,000 people went to see Stanislaus play Jesuit High School.

Bernard J. Piazza donated a copy of his graduation certificate from the Back School and a Bible History book used at the Back School.

Raymond Cuevas donated a 1926 Catalogue of St. Stanislaus which outlines all the "do's and don'ts" from that time period.

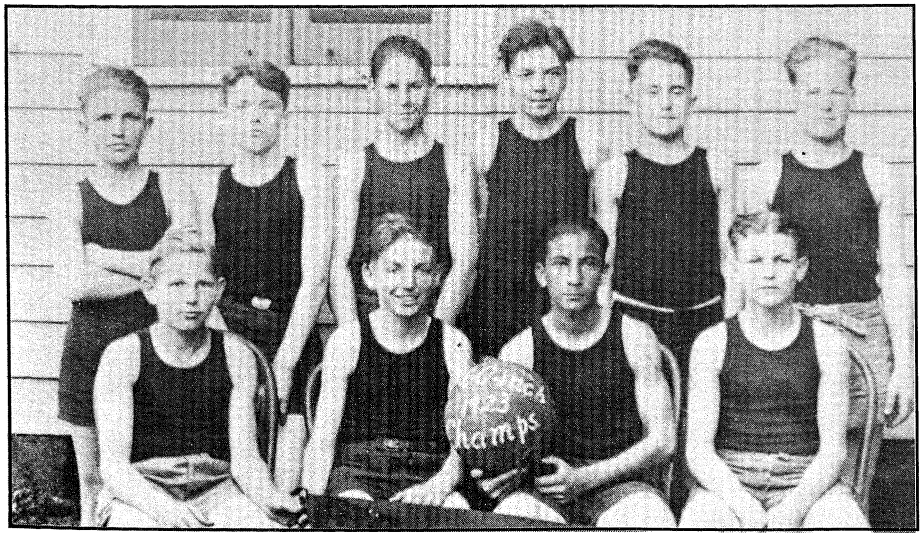
Ernest A. Daunis '47 donated copies of the Rock-a-Chaw and textbooks used at SSC for the archives. He also gave his red SSC letter sweater from the 1940's.

Peggy Gibbens donated several books from the turn of the century including Painting As A Past-time and French Painting.

Mr. and Mrs. James Bryan '41 and **Dr. and Mrs. John Ochsner** donated property they held in Abita Springs. This donation will be used to construct a crosswalk to the pier. (See related article on page 1.)

Special thanks to **an alumnus and his wife who wish to remain anonymous**, for donating property in Colorado. The lot is 60 x 112 feet tapering to 84 feet rear width. It is a quarter mile from Lake Hatcher in the Pagosa Lakes, Colorado, development. This area is 3-4 miles west of Pagosa Springs, CO or 40 miles east of Durango. The lot is valued at $4000. We shall consider offers for this lot near the Colorado ski country.

Also, the SSC Progression Corporation is anxious to sell a lot in Bay St. Louis on Dunbar Street, four blocks from the Back Bay. (Asking $10,000) If interested in either the Mississippi or Colorado properties, call Pat Modenbach at the Development Office (601) 467-9057.



A flash to the past: The 1923 SSC 60" Basketball Champions. The tradition lives on today. The Rock-a-Chaw basketball team captured the championship at the County Tournament by defeating Bay High (82-27), Pearl River (89-53) and Hancock (83-57).

SSC Hall of Famer, Claverie, RIP

Louis B. Claverie, class of 1921, of New Orleans, LA, died .

He graduated from SSC in 1921 and was awarded the Scholarship Medal of that year and was valedictorian of his class. He graduated from Tulane University with an A.B. degree in 1925 and a Law degree in 1927. He was inducted into the SSC Hall of Fame in 1976. Mr. Claverie was former managing partner for Phelps Dunbar, one of New Orlean's most prestigious law firms.

He was an adjunct professor of corporation law at Tulane Law School, beginning in the 1940s, and taught legal ethics and professional responsibility until 1970, when he was named a professor emeritus. In 1987, he was named an outstanding alumnus of the law school.

His charitable, civic, and educational work began in 1928, when he joined the Community Chest, which became United Way.

Mr. Claverie also was on the board of directors of the New Orleans Legal Aid bureau, Cultural Attractions Fund, the Alumni Editors of the Tulane Law Review, Social Welfare Planning Council, New Orleans Neighborhood Centers, Family Service Society, and the Committee on Alcoholism and Drug Abuse. He was on the board of trustees of Metairie Park Country Day School and was president in the early 1950s.

Mr. Claverie was a former vice president and board member of the New Orleans Symphony Society. He was chairman of a campaign that raised $1 million to match a Ford Foundation grant, then resigned from the board in protest when the money was used for operating expenses.

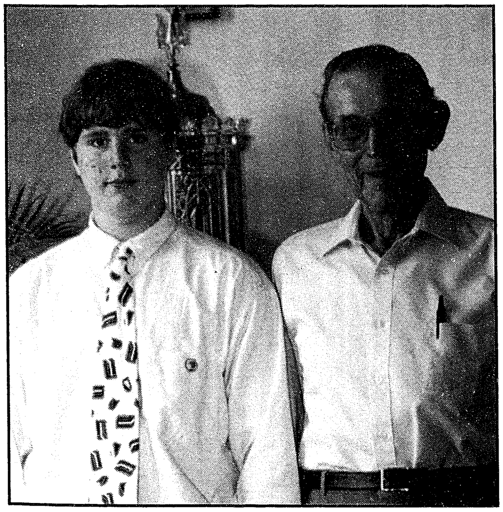
Mr. Claverie was a member of the Citizens Housing Council for 12 years, beginning in the mid-1960s, and was appointed to the mayor's Advisory Committee on Community Improvement in that period.

Mr. Claverie was a member of the original board of trustees of the Greater New Orleans Foundation from 1968 to 1972, and was chairman of the organization for two years.

Mr. Claverie was president of the board of the New Orleans Bar Association in 1967, and was a member of the New Orleans, Louisiana and American Bar Associations.

He is survived by his wife, Viola Schlegal Claverie; his son, Philip, and two grandchildren.

Mr. Claverie's uncle, John Claverie, was the first graduate of St. Stanislaus College in 1871. His father was graduated in 1877; his brother, Cyril Claverie, in 1917; his nephew, Edouard Carrere, Jr. in 1939; and his great nephew, William Carrere, in 1968.



Ninth grader Patrick Kimbrell and his grandfather, Andy Becker '35 were together for the ninth grade class Mass held in November.

Brother Adrian Gaudin, SC, campus minister, has inititated a pilot Student Ministry program at SSC. It is designed to build Christian leadership skills in its members and to enhance their personal and spiritual awareness. Through training and development, student ministers are enabled to meet their own needs at the same time that they render service to others.

SSC Alumni Association Past President, LaNasa, RIP

James Thomas LaNasa, Sr., class of 1947, of Biloxi died October 4.

Mr. LaNasa was a lifelong resident of New Orleans and Bay St. Louis. He was a retired real estate broker. He was president of the St. Stanislaus Alumni Association from 1979 to 1990. He was a member of the New Orleans Opera House Chorus, the New Orleans Concert Choir and St. Francis Cabrini Choir and a charter member of the Krewe of Ponchartrain.

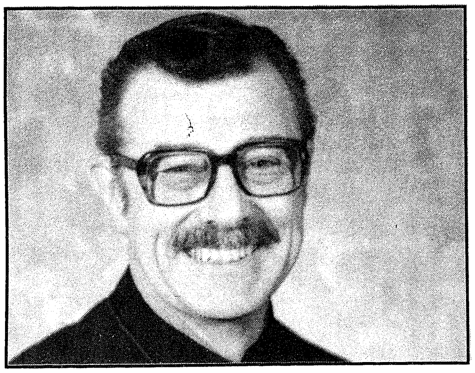
ST. STANISLAUS
Class of 1991

In 1992 Drew Ladner received the LaNasa-Greco Band Award from J.T. LaNasa.

J.T.'s interest in the SSC Band sprang from his years with Brother Romuald's band. In 1974 J.T. sponsored, through the LaNasa-Greco Foundation, the LaNasa-Greco Band Award which is presented to the beginning band student with the highest grade point average for his first year in band. In 1990, J.T. himself began presenting this award at the Spring Band Concert.

Surviviors include his wife, Joyce Inez Guedry LaNasa; five daughters, Linda Scheerle, Karen LaNasa, Peggy Barrios, Bonnie Scariano, Jennifer LaNasa, and Julie Lemonie; a son, J.T. LaNasa, Jr.; two sisters; two brothers; and ten grandchildren.

The memorial service was held at the St. Stanislaus Chapel and later that day at Loyola University in the St. Ignatius Chapel.



Brother Bennett Bishop, SC, 63, of Baton Rouge, LA, died November 17.

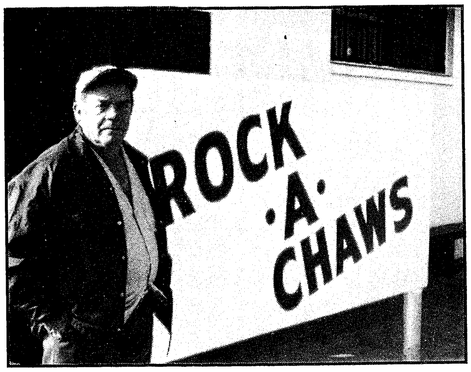
Brother Bennett was born in New Orleans and entered the Brothers of the Sacred Heart in 1948. He pronounced his first vows as a Brother in 1950. He taught in various schools conducted by the Brothers of the Sacred Heart in Louisiana, Oklahoma, and Mississippi for 35 years. He served as executive secretary of the Vocational Development Fund of the Brothers of the Sacred Heart.

He taught at St. Stanislaus from 1969-1987. While at St. Stanislaus, he was known for his involvement in weightlifting and powerlifting. He was the founder and first president of the American Drug Free Power Lifting Association.

Survivors include his mother, Irma Louise Mary Biship; and a sister, Mrs. G.W. (Elizabeth) Jackson, both of Baton Rouge.

Burial was in the Brothers of the Sacred Heart Cemetery.

The family prefers donations to the Vocational Development Fund of the Brothers of the Sacred Heart.



Brother Philip Lewis, SC, 75, of Bay St. Louis, MS, died September 9.

Brother Philip was born in Fall River, MA and took his first vows as a Brother in 1936. He began his teaching career in 1937 at St. Aloysius High School in New Orleans. He also taught at Catholic High School in Baton Rouge; St. Aloysius in Vicksburg; McGill High School in Mobile; and St. Stanislaus.

Brother Philip's greatest work was done at St. Stanislaus. In the 25 years that he was at SSC, Brother Philip was a long-time moderator for the Sideline Club and had been a teacher, principal, coach, and athletic director for the school. At the end of the 1974-75 school session, Brother Philip retired from active classroom duty.

Burial was in the Brothers of the Sacred Heart Cemetery.

Reverend Joffre Robichaud, SC died August 21. From the New York Province, he was an ordained Brother of the Sacred Heart for 38 years.

SSC Grad Recognized As A Hero

Doug Talbout '55 was recognized as a New Orleans Hero during the eighth annual Role Models Awards Gala which is under the auspices of the Young Leadership Council. "Seven years ago Doug was diagnosed with cancer of the lymph system and given two years to live. He took his diagnosis literally as a challenge for survival. With dogged determination he studied the concepts of body and mind healing and committed himself to healing his negative attitudes. The rest, as they say, is history. In the last seven years, he has volunteered his time to coach, mentor and talk with newly-diagnosed cancer patients throughout Louisiana. Beginning with Orange Julius, he went on to make Lucky Dogs the success it is today." (Biography from the Celebrating New Orleans Heroes program.)

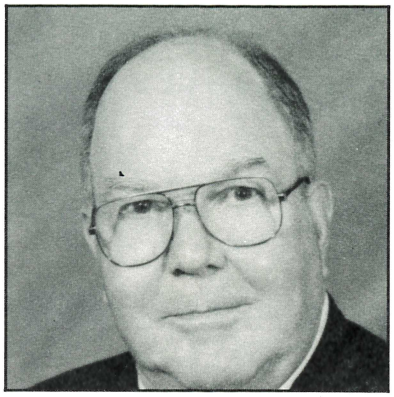
PRESIDENT'S LETTER



Dear Alumni and other friends of SSC,

On behalf of all of us here at "The College," and very especially on my own behalf, I extend to you our best wishes for a very Happy and Holy Christmas and Blessed New Year. Rest assured that as we count our blessings during this past year, you are uppermost in our minds.

It is a wonderful and often amazing thing to watch young people grow from shy, confused, and uncertain children into happy, self-confident, and well-educated adults. Many of you who read these words know it first hand: you personally experienced this awesome transformation, or you watched it take place in your sons.

We thank God who -- for 142 years -- has given us here at St. Stanislaus the mission and the means to help so many young men develop to their full potential, to become useful and contributing members of society and their church. The amazing metamorphosis which most of them undergo while here with us at St. Stanislaus makes all of the effort and hard work that we put into it well worth while.

We also thank you for helping us to achieve this great good. Without your confidence, your presence, your support, and your encouragement, it could not be done. The work of our Founder, Fr. Andre' Coindre, and the dream of our first Superior General, Brother Polycarp, would simply have withered on the vine. Instead, their vision has blossomed and prospered into the institution which today we call St. Stanislaus College Prep.

We are also grateful that things are going so well here at SSC and that the future looks so bright. Dr. Michael Ryan and our dedicated teachers and staff continue to provide the academic challenge and growth upon which our mission is built. Under the dynamic leadership of Fr. Paul Calamari, our Residency Department is fast reaching a professionalism and effectiveness only dreamed of for many years. The spiritual life of the school and residency are at an all-time high, thanks to the skillful and tireless efforts of Brother Adrian Gaudin, SC, our Campus Minister.

Thanks to Mr. Paul McCarthy and his Maintenance and Custodial staff, the grounds and buildings sparkle. Nurse Jo Burr and her devoted assistants in the Dispensary do a great job of keeping both Brothers and boarders healthy. And Brother Pierre St. Pierre, SC, and his crew continue to nourish our bodies and sustain our strength to achieve the mission.

Brother Xavier Werneth, SC, serves as the local superior of the thirty Brothers of the Sacred Heart living here at St. Stanislaus; Brother Ronald Talbot, SC, Director of Finance, makes sure we use our resources wisely and economically; and Brother Noel Lemmon, SC, keeps all of our vehicles safe and operational, while he prepares for next year's summer camp.

Mrs. Pat Modenbach, Director of Development and Public Relations, continues to spread "The Good News of St. Stanislaus" far and wide and to solicit donations to keep us going. Thanks to Mick Quinlan, Director of Admissions, prospecitve students and their parents continue to realize that Stanislaus has something special to offer them, something they can't find anywhere else.

And so, at this most sacred time of year, it is with a heart filled with joy, hope, and, above all, gratitude that I thank God, my colleagues, and you. Being President of this institution is a wonderful opportunity and an awesome responsibility. Without all of you wonderful people doing what you do so well, so generously, and so readily, it would be an impossible one.

May God bless you for loving our students so much and for serving them so well!

Gratefully in *Corde Jesu,*

Bro. Donnan, S.C.

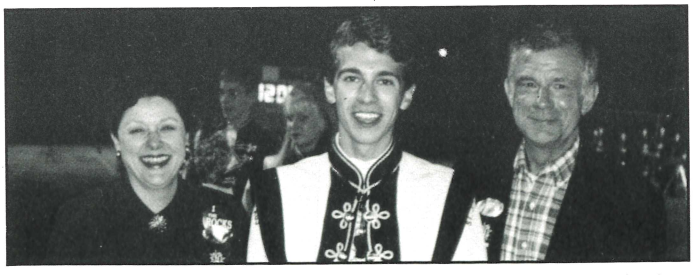
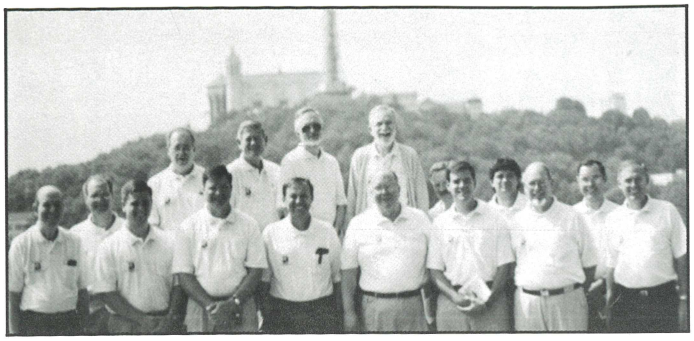
David Webb (l) and Raymond Tracy were two of the 1,500 students from 7 states selected to perform in the All-South Honor Band at the University of Southern Mississippi. The Honor Band rehearsed with USM's band for 3 hours prior to a special joint performance at the USM-Tulane game during half-time.



Mr. and Mrs. George Holder posed with their son, Matt, during Parent Appreciation Night when the senior band members, football players, and cheerleaders thanked their parents for their support.

Brothers Return To French Roots

During the first two weeks of July, 14 Brothers of the Sacred Heart, New Orleans Province, visited Lyons, France, where the community was founded in 1821 by Andre Coindre, a diocesan missionary priest. Sponsored by the Andre Coindre International Center, the Brothers participated in a program of prayer, study, and on-site visiting. The center is located in the original house of the founder.



Brothers who attended the session in France were (l to r top) Brothers Ronald Talbot, Aquin Gauthier, Neal Golden, Farrel Lorrio; (bottom) Brothers Marcel Riviere, Bernard Couvillion, Michael Dawson, Dwight Kenney, Anton Sokira, Donnan Berry, James Burns, Ronald Hingle, Charles Schilling, Will McCue, Eduardo Baldioceda, and Xavier Werneth.

Charism of the Brothers Was Topic For Annual Province Meeting

On August 5th through 7th, faculty and administrative members from five schools staffed by the Brothers of the Sacred Heart in the New Orleans Province met at the Lumen Christi Retreat Center in Houma, Louisiana, for a leadership conference with the theme, ''Sharing the Gift; The Educational Charism of the Brothers of the Sacred Heart.'' Participants experienced the charism in a prayerful and communal setting while developing strategies for sharing the charism more fully with other school personnel as well as enhancing their leadership ability through a deepened understanding of the charism.

Brothers From Southern India Adjusting To Mississippi & U.S.

Brothers Arogyasamy Divinanath, SHJ (l), and Swaminathan Xavier, SHJ, are now both in residence at SSC and adjusting to southern Mississippi. These Brothers are from southern India where they belong to a 150-member congregation of Brothers also known as Brothers of the Sacred Heart. The Fellowship of Christian Athletes Begun By Dellenger

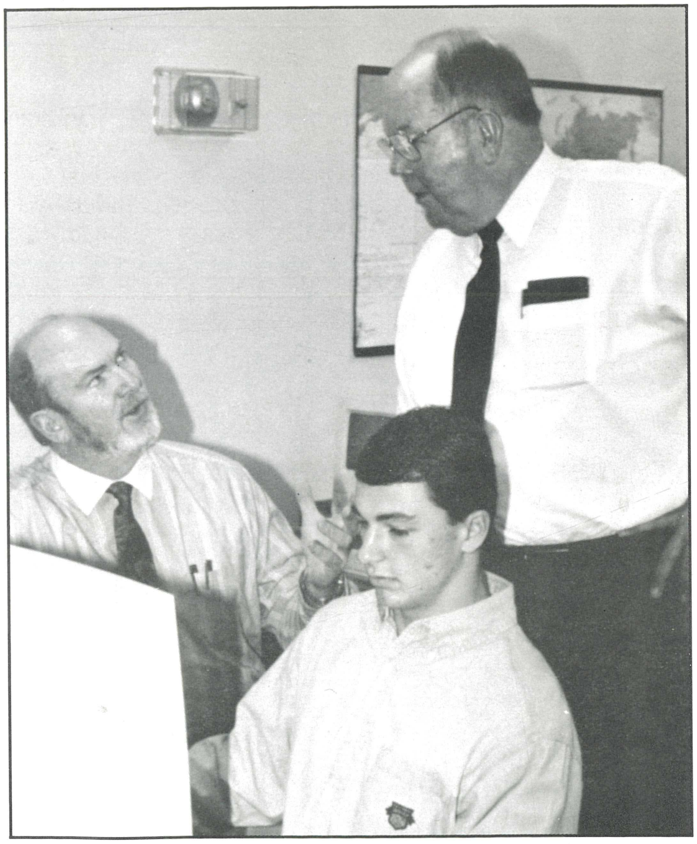
Coach Stan Dellenger will establish a Chapter Club for Athletes which is recognized by the High School National Chapter of the Fellowship of Christian Athletes (F.C.A.). Dellenger has been involved in the F.C.A. for nine years and has started F.C.A. chapters in 2 other schools. The chapter principles are to share in the Gospel teachings, to encourage student athletes to work together as a team, and to use their God given abilities by involving themselves in the local community.

SSC Established On The Internet



Mr. Bill Jennings, computer science teacher (l), explains to Brother Donnan Berry, president of SSC, that the school's present initial link onto the Internet is only the preliminary step to the linking of all school computers on the campus onto the ''Net.'' The next phase should be accomplished sometime in the near future. Jerry Polk, senior, uses the computer to ''surf the Net.'' Alumni may reach Mr. Jennings at bill@tower.nersc.gov *or* ssc@mail.datasync.com.

Aquatic thanks to Dr. and Mrs. Frank Lansden for donating to the biology lab a 40 gallon aquarium with wooden stand.

Theological thanks to Walter Arroyo for donating his library of religious books. Many were retained for the Religion Department, and the remaining books were sent to the African missions of the Brothers of the Sacred Heart.

Seventh Grade Stock Market Team In 1st Place - Leads Eighty-Two Others

With a few weeks left in the 10 week Stock Market Game, sponsored by the Mississippi Economic Council, a seventh grade team, captained by Neil Favre, is in first place in the state recording a gain of almost $29,000.00. Favre's team bought several thousand shares of a favorite stock, and then sold half of their shares when the stock rose $6.00 a share, thereby locking in a nice profit. Only 9% of the 326 teams in the 82 Mississippi schools have realized a profit thus far in the game. At this point, six SSC teams are among the top 50 teams.

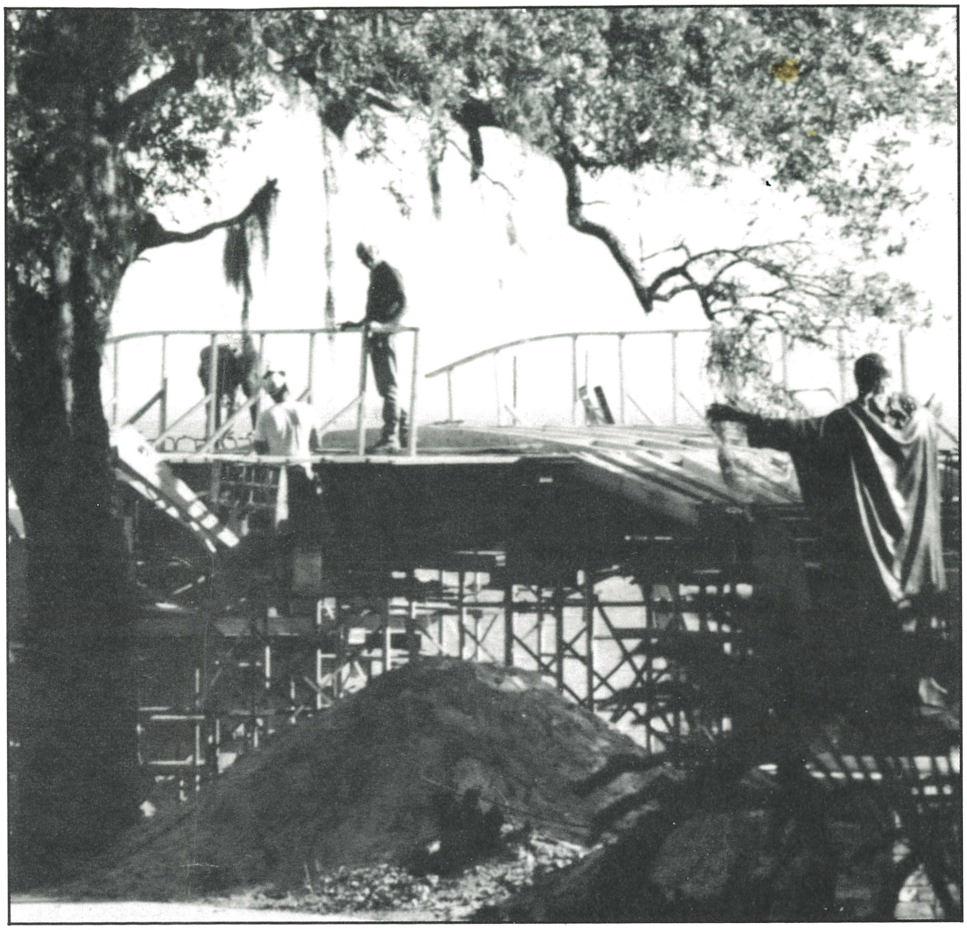
Wes Pugh, Student Council president (l), and Kippy Chamberlain, Student Council vice-president, prepare to distribute several of the thirty-four Thanksgiving baskets gathered by the individual homeroom classes. This yearly project, sponsored by the Student Council, is moderated by Mr. Bill Jennings.

Alumni Fund Construction Of Beach Boulevard Overpass At Stanislaus

A generous alumnus who wishes anonymity together with the many other SSC alumni who have contributed to the '95 and '96 Appeals have funded the construction of the Beach Boulevard overpass. George Hopkins, Inc. of Gulfport is constructing the overpass and Fore Trucking Co. will build the overpass approach and the pier connection with completion expected in January. Fred Wagner is the project's architect.

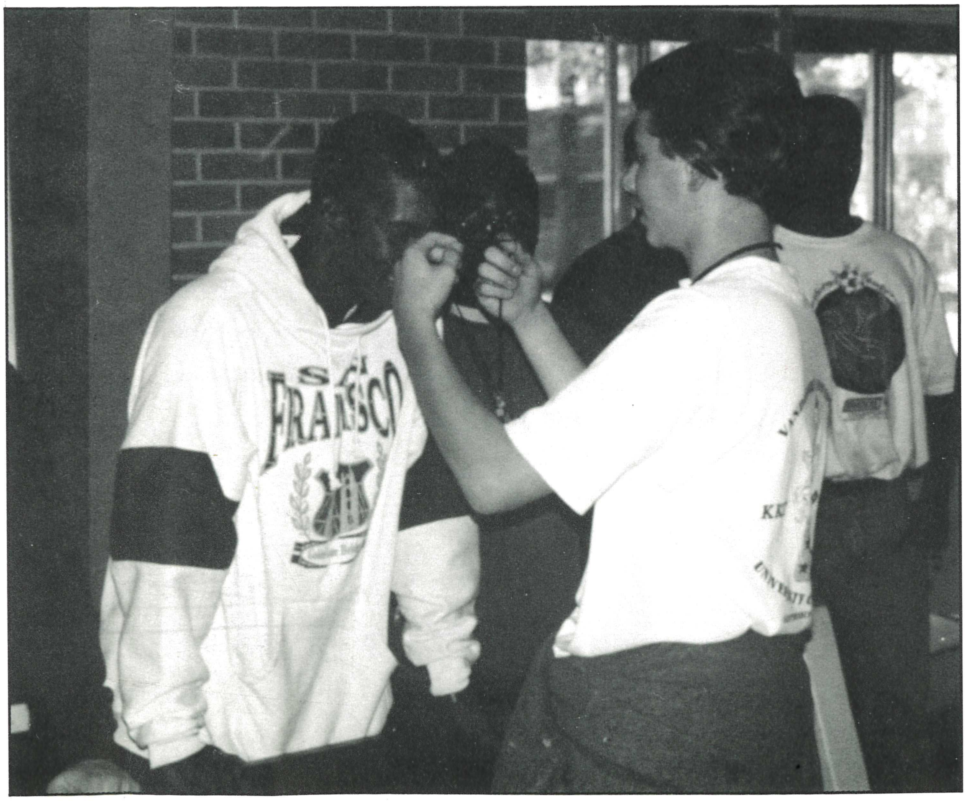


Excerpt from 1921-22 SSC School Catalog

During the warm season, the waters of the Bay, in front of the College, present a natatorium as extensive as the Gulf. Every day in Summer, the students are allowed, under the care of their respective prefects, to take a refreshing dip in its invigorating waters. The bottom of the Bay, for a long distance out, is shallow, sandy and even. In the usual bathing area, the water is between 3 and 5 feet deep. The wharf extends a distance of 1,000 feet into the Bay. It supports, at four different intervals, large platforms fitted with benches for the comfort of the students, who after supper during the hot months, go there for about an hour, to enjoy the cool breeze.

Senior Retreat In Louisiana A Success

The Senior Retreat held at Camp Abbey in Covington provided the young men with two days of private and communal prayer. Faculty and parents served as group leaders. *Steven Alberti is pictured presenting Maurice Waugh with his retreat cross as Silvestre Iombo waits his turn.*



Response To PAGA 4 Most Generous Yet

Parents and friends have given or pledged as of November 30 over $76,000.00 to the 4th Parents Annual Giving Appeal. Thus far, their generosity represents a $13,000.00 increase over last year's total giving. The contributions from PAGA support programs and services that could not ordinarily be established.

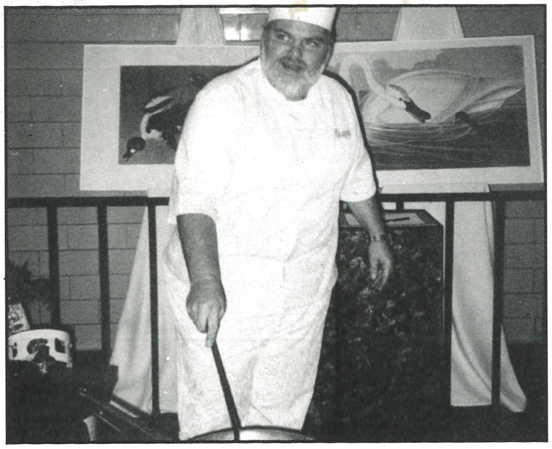
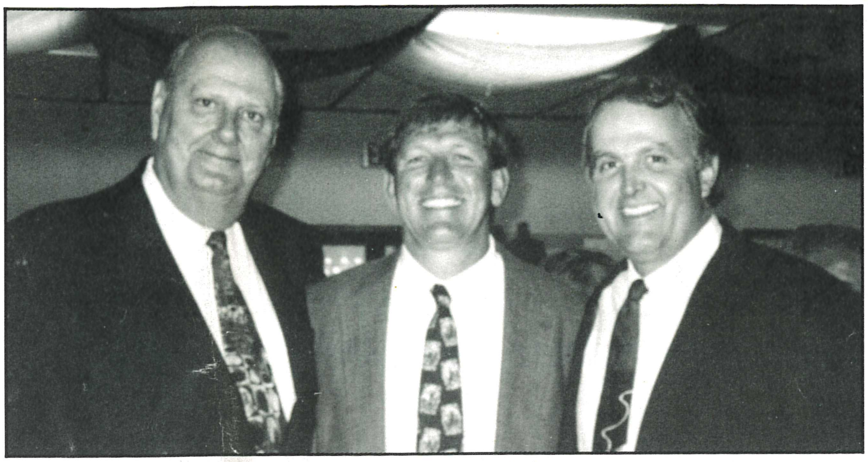
7TH Annual SSC Gourmet Dinner Proclaimed A "Chappy" Success

Mr. and Mrs. John ''Chappy'' Chapman are the patrons of the Annual SSC Autumn Gourmet Dinner. Starr and Chappy have raised over $75,000.00 for SSC in the past seven years of the Gourmet Dinners. Chappy posed beside the dessert table before the evening's festivities began.



Chappy prepares Bananas Foster as one of the featured items on the dessert course.



Mr. Jim Smith '45 (l), from New Orleans, attended the Gourmet Dinner. He enjoyed the evening with Fred May (center), and John Dane (r), who both have sons at SSC.

Alumni, parents, and friends generously supported this year's dinner. Mr. Jimmy Bryan '41 (l), Mrs. Kiki Carrere (seated), Mr. Ed Carrere '39 (r), and Mrs. Faye Bryan (r), were among the one hundred and twenty-eight guests.

Annual Appeals Surpass Previous Year's Giving

Dear Alumni, Parents, and Other Friends,

Thanks to each of you for your support during the Annual Alumni Appeal and the Third Parents Annual Giving Appeal.

Presently, 334 alumni have responded with $29,434.00, which is more than four times the amount of last year's appeal. Plans are that this be directed to one specific project at SSC. When this is finalized, the project will be announced.

Annual Alumni Appeal
$29,434 in gifts and pledges from 334 alumni

Third Parents Annual Giving Appeal
$69,638 in gifts and pledges from 260 parents

Parents (260) have given or pledged $69,638.00 which doubles the budgeted amount. This money will directly impact the curriculum and provide an even better academic program for the students at SSC.

Such giving expresses your confidence in the faculty and staff and your assurance that the students will directly benefit. Thank you! The SSC family is committed to providing the best possible Catholic education to our students and to striving to improve the educational environment, so that the SSC tradition will continue and thrive.

A final bit of financial news: St. Stanislaus' first annual report (1993-94) will soon be in the mail to each of you. The final report for the Endowment for Excellence $3,000,000.00 campaign will be included in the annual report.

I hope this document verifies your trust in all of us as we continue the mission of the Brothers of the Sacred Heart at Saint Stanislaus.

Sincerely,

Pat Modenbach

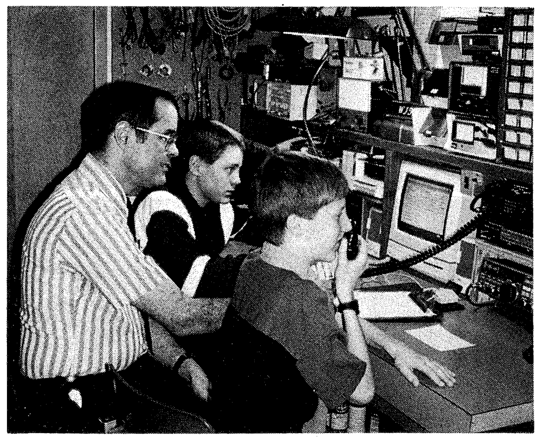
SSC Radio Club Is On The Air

CQ is the call given out by the twenty SSC students who currently have amateur radio licenses, novice through extra, when they want to talk to someone. Under the guidance of the Radio Club moderator, Brother Eduardo Baldioceda, SC, the students participated in the School Club Roundup, a week-long, on-the-air contest in February. Last year the SSC Radio Club placed second among high schools nationally and the previous two years they placed third. Results will be announced in the summer. This year the SSC Radio Club had 192 contacts from 35 states and 8 countries.



Brother Eduardo and eighth graders Blaine Griffith (left), the son of Mrs. Laura Griffith and Matthew Monti, the son of Joe Monti '70, during the School Club Roundup, an on-the-air contest.

According to Brother Eduardo, several members have followed the lead of the club station and upgraded their home stations to operate computerized VHF packet.

In addition, SSC has a packet node, so packet operators can connect in. Another option SSC Radio Club members have is to connect through Stennis to the ham radio part of the Internet to other ham operators throughout the world.

Members have attended hamfests in various cities from Mobile, AL, to Jackson, MS, to Lafayette, LA. Brother Eduardo will travel to Dayton, OH, at the end of April for the world's largest hamfest. Brother Eduardo holds an extra ham license. He recalled that in 1989 the FCC allowed the Radio Club to sign WD200IAD as a special event station to commemorate the 200th anniversary of the Constitution of the United States. The club used this call for one week and had over 1,000 contacts!

Science & Math Team Places 3rd Place in State Competition

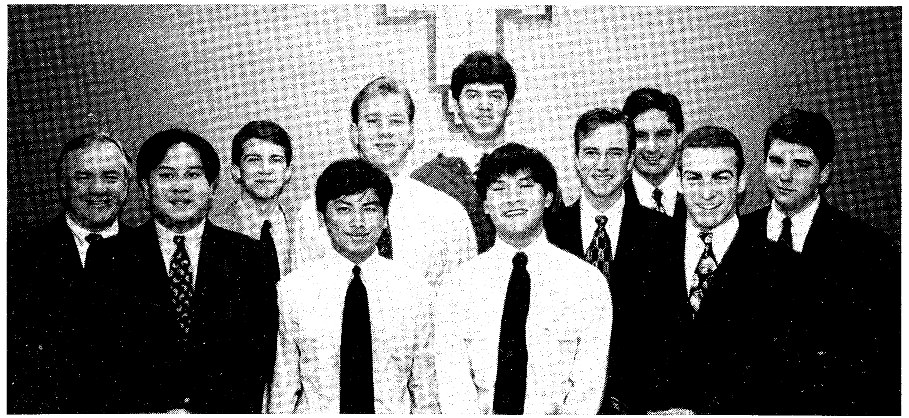
The St. Stanislaus Science and Math team competed in the Mississippi Science and Math Tournament held in Clinton, MS, on the campus of Mississippi College in early February. 739 students from 79 schools participated.

Senior Patrick Cousins finished 3rd overall in the state in math, and he finished in the top 5% in physics. Junior Matt Holder earned an award for finishing in the top 5% in the state in math, and he placed in the top 18% in chemistry. Also earning awards from SSC were seniors, Jason Brunsell and Anthony Tran, who both placed in the top 10% in math.

Other SSC students who participated were Tim Kayes, top 15% in physics; Michael Walker placed in the top 18% in biology; and Chris Carville placed in the top 20% in physics.

At the ACJ Mississippi State Physics Competition held in mid-February, Sean Ziegeler earned an award in the top 4% of all students, and Patrick Cousins won an award for being in the top 5% among the 592 participants.

Tim Kayes scored in the top 7%; Jason Brunsell and Chris Carville both scored in the top 10% in the contest.



The St. Stanislaus College Prep Science and Math Team took third place in State Competition. (Front row, left to right) Anthony Tran, Paul Nguyen, John Nguyen, and Patrick Cousins; (back row) Mr. Jim Thriffiley (moderator), Matt Holder, Tim Kayes, Chris Carville, Michael Walker, Sean Ziegeler, and Jason Brunsell.

Lenten Giving Goal: $10,000

The Student Council is preparing to start the Annual Lenten Giving Fund this month. Last year, the students raised $9,000 which is the largest amount ever raised for the fund. The money raised last year was disbursed to St. Anne Mission in Arizona, Project Do, local charities and the Brothers of the Sacred Heart African Mission. Student Council moderator, Mr. Bill Jennings, has set a goal of $10,000 for this year's Giving Fund.

During Mardi Gras holidays, Mr. Jennings and three student council members, Brooks Quinlan, Ashley Cox, Tyler McDonald, travelled to St. Anne Mission to deliver clothing collected for the Navajo Indian Reservation.

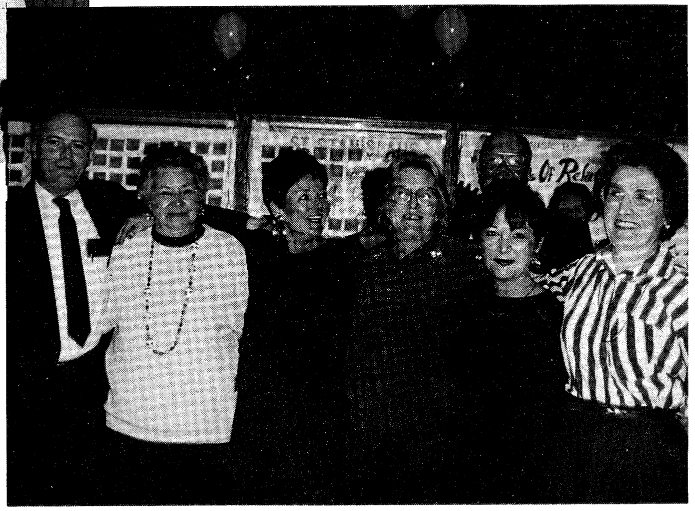
DRAWDOWN HAS MANY WINNERS

Connie Heitzman and Brother "Boots Randolph" Pierre St. Pierre entertained the audience during the DrawDown.



The Tenth Annual DrawDown, held on February 11, concluded with the last five tickets splitting. Some of the winners of the $10,000 celebrate. Pictured are (left to right) SSC Principal Dr. Michael J. Ryan, '68, Mrs. Dot Zimmerman, Mrs. Ann Kortman, Mrs. Mac Cromwell, Mrs. Gwen Marquar, and Mrs. Mary McCarthy. Brother Donnan Berry, SSC President, is seen in the background.

A school-wide retreat was held on February 17. Each class went to a different location for the day and focused on the theme of "God created me and loves me." Pictured is the junior class who went on retreat at the Gulf Shore Baptist Assembly.

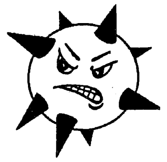
SSC Booster Clubs

Road Runner Club Plans "The Saint Stanislaus-a-thon"

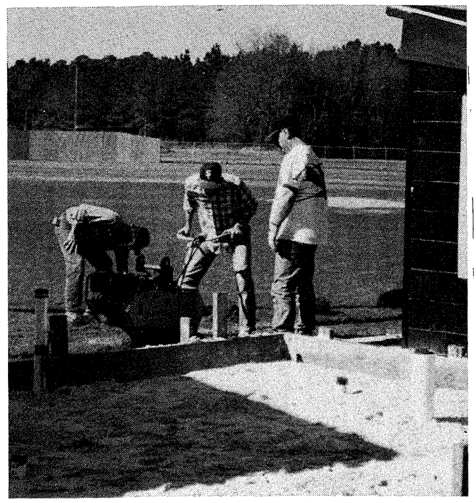


Even if you can't say, "The Saint Stanislaus-a-thon", the Road Runner Club would still like you to join them on Saturday, May 6, for a one mile fun run, 10K, and 5 K run.

The entry fee prior to May 1 will be $10 and late registration, through race day, will be $12. All participants will receive a T-shirt and medallions. Dinners at local restaurants will be awarded. Any alumni wishing to participate should contact Coach Eddie Burgo (601) 467-9057.

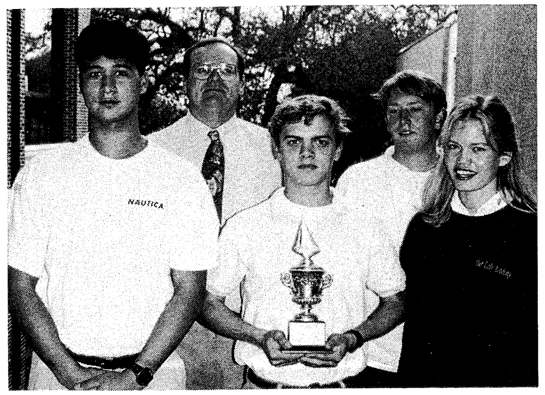
The Road Runners are also planning a Jambalaya dinner from 11:00a.m. - 4:00p.m. during the Arts Festival on April 2. During the dinner they will have a 50/50 drawing.

Diamond Club To Build Concession Stand at Field



Construction began on a concession stand and restrooms at the baseball field following approval by the SSC Board of Directors. Pouring cement on the first day were (left to right) Diamond Club president, Jimmy Chiniche, '60, and members David Manasco and Craig Foster.

The Diamond Club is sponsoring the construction and is being financed by donated labor and talent, funds raised by the Diamond Club, and a $5,000 grant from the SSC Progression Corporation.



Members of the SSC Sailing Team proudly display the first place trophy they earned in the USF&G High School Sugar Bowl Regatta. Pictured (front row, left to right) are Sara Taylor, Kippy Chamberlain; and Eugene Schmitt; and (back row) Alan Uram and Coach Rory Rafferty, '73.

Supreme Court Club Praises Student Victories

Eighth grader Scott Wallace recently won the championship of the Boys 14 and under division in the Laurel Junior Open Tennis Tournament. Seventh grader Soloman Abedrop won the Consolation bracket in the same division.

Gridiron Club Proud of Seniors

Seniors Al Terrell, Brandon Benoit and Nathan Middleton recently signed to play football for Pearl River Community College. Brooks Quinlan has been offered football scholarships to Carroll College in Montana and St. Ambrose in Iowa.

Treblemakers Busy in '95

The Band Boosters are making preparations for the Second Annual Smoke 'N Jazz to be held on April 22 from 5:00 to 9:00. Booster clubs will sell different barbecue specialties on the front lawn of the school. SSC's Music Department will sponsor the jazz ensembles: Pascagoula High School's Jazz Band, USM's Steel Band and Percussion Ensemble and others.

The SSC Marching Band, Symphonic Band, Percussion Ensemble and the Barbershop Quartet will travel to Orlando, FL from March 29 through April 3 to compete in the "All American Music Festival." Band directors, Mrs. Catchie Choina and Ms. Jacqualine Davidson, were recently notified that the SSC band was selected to perform in Disney World by Disney's Musical Day's Parade Committee. The SSC band was selected from approximately 250 other bands who requested to perform on the same date.

Graduate Football Alumni Club to Start

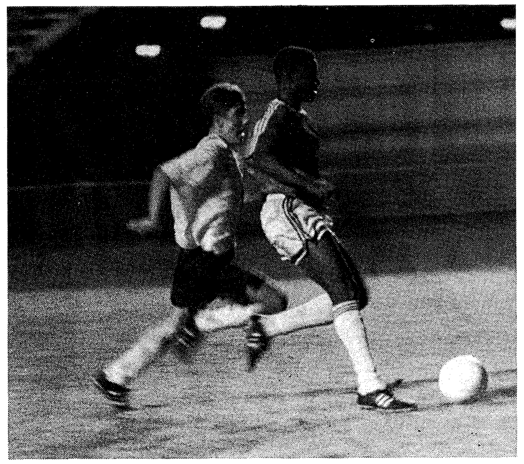
Coach Brannon LeBlanc, head football coach, is organizing a football club for graduates of SSC who played varsity football. For more information, call Coach LeBlanc (601) 467-9057 or Joe Gex (601) 466-3405.

Kicker Club Proud of Soccer Team

For the fifth straight year, the SSC Soccer team was in the playoffs. The Soccer team advanced to the State Quarter Finals by defeating the #8 ranked team in the State, Meridian before losing to 2-time defending State Champs, Clinton.

For the fourth year, the SSC Soccer team was ranked as one of the top 10 high school soccer teams in the state by *The Clarion Ledger.*

Seniors Brooks Quinlan and David Matheson made the 1995 Coca- Cola All-Star Soccer team for Mississippi. Brooks has also signed to play soccer at Meridian Community College.



Brad Cannon brings the ball down the field during the soccer game against Mercy Cross High School. His two winning shots during this game broke Konstantin Koloskov's school record of 52 career goals.

SSC Takes Part in National Duck Stamp Contest

Students of SSC art teacher Ms. Dana Bordelon, are submitting artwork for the Federal Junior Duck Stamp Conservation and Design Program. The program is designed to teach wetlands and waterfowl conservation to students through incorporating scientific and wildlife management principles into a visual arts curriculum.

Artwork is submitted by schools to the State Show. Each state's "Best of Show" design is then entered into the national competition to select the Federal Junior Duck Stamp Design. Ms. Bordelon will select entries to the State Show from her art classes.

SSC art teacher Ms. Dana Bordelon advises ninth grader PJ Dysart as he prepares his submission.

CORRECTION: We failed to mention in the January Alumni Newsletter that the Board of Directors of Camp Stanislaus approved that Camp Stanislaus give the money needed to purchase an empty lot-and-a-half on Union Street near Hancock for the use of the school. This timely and generous purchase adds almost 11,000 square feet to the playing area between the tennis courts and the Brothers' cemetery. The lot is presently being cleared and filled in by Brother Loyola.

Computer Team Prepares for Competitions

Using Canon 486 laptops on loan from NAVOCEANO, computer team members (left to right) Anthony Tran, John Nguyen, Sean Ziegeler, and Jason Brunsell practice for the tournaments they will compete in during the year.

"Bay Four and After" Performs at SSC

The "Bay Four and After" Barbershop Quartet sang for the secretaries at SSC for Valentines. The group includes (left to right) Jim Askew (tenor), Jody Knight, '71 (lead), Phil Williams (bass), and Brother Pierre St. Pierre, SC (baritone).

Alumni Association Supports Math Dept.

The SSC Alumni Association gave a grant to the Mathematics Department for the purchase of twenty graphing calculators.

According to Mathematics Department Chairman, Mr. Mike Gemelli, '69, "Math classes will now be able to investigate more advanced curve-sketching techniques, as these calculators will allow us to 'see' these functions easily. Because these calculators can integrate and differentiate, the potential for practical application problems in engineering and architecture is unlimited."

Mr. Gemelli went on to say, "Thanks to the Alumni Association, we now have the tools to teach and reinforce the knowledge of a graphing calculator. This once again demonstrates SSC's commitment to the total preparation of our students for the educational challenges they will face in college."

Thriffiley Honored as Rotary Club Teacher of the Month

Mr. Jim Thriffiley, SSC physics teacher, was honored by the A.C.J. Rotary Club Teacher of the Month in January.

In his acceptance speech, Mr. Thriffiley shared his five goals as a Catholic educator educating young men spiritually, intellectually, physically, socially, and economically.

Mr. Thriffiley expressed gratitude to Brother Lee Barker, SC, who hired him at SSC 29 years ago. He credited Brother Gordian Udensky, SC, who taught at Catholic High School in Baton Rouge, LA, for teaching him how to teach physics. Brother Clement Cosgrove, SC, was instrumental in teaching Mr. Thriffiley about dealing with adolescents and their associated psychological essence. He said, "These men taught me the virtues of patience, prudence, and empathy."

Alum Donates Memorablia

At the Alumni Reunion, John Foto, '55, donated a SSC baseball cap and jacket, yearbooks, a band jacket, sweatshirt, and a video tape of the 1953-54 Homecoming events. These items will be a treasured part of the Archives.

Alum Fondly Remembers Brother Bennett

Richard Corley, '82, fittingly expressed his memories of Brother Bennett who died November 17, 1994.

Dear Brother Donnan,

I have just read in your current edition of the Alumni Newsletter about the passing of Brother Bennett last November, and it is with deep sadness that I write you today.

I first met Brother Bennett during my senior year at SSC. In both his religion and English Literature classes, I always found him to be a continued source of inspiration for both the subject matter at hand and for life itself. In very large measure, I attribute the academic success I had during my final year at Saint Stanislaus and later at Williams College to the support I received from many people, but in particular it was Brother Bennett who wouldn't let me give up all I had worked for, nor disregard all that I had yet to accomplish. Outwardly, I remember him as a rough and tumble sort of person, both strict and easy going at the same time, but inwardly, he was a very caring man who loved being who he was and doing what he did. Being a Brother of the Sacred Heart was his life, and that was a life he lived to the fullest.

Brother Bennett Bishop was indeed a wonderful man. The 'Venerable Bede' of Saint Stanislaus had many students, and I am very honored to say that I was among them. I truly shall miss him.

Remember In Your Prayers Brother Claude Petrus, SC

Brother Claude Petrus, SC died on January 9.

Brother Claude took his first vows as a Brother of the Sacred Heart on August 15, 1928. He began his teaching career at St. Aloysius in 1930. During his career he was placed at Catholic High School, McGill, and DePaul. During his time at St. Stanislaus, Brother Claude was a teacher, librarian, and worked in maintenance. In 1970, Brother Claude retired from active duties.

Brother Canisius and Lenten Giving Fund Help Child Reach for the Stars

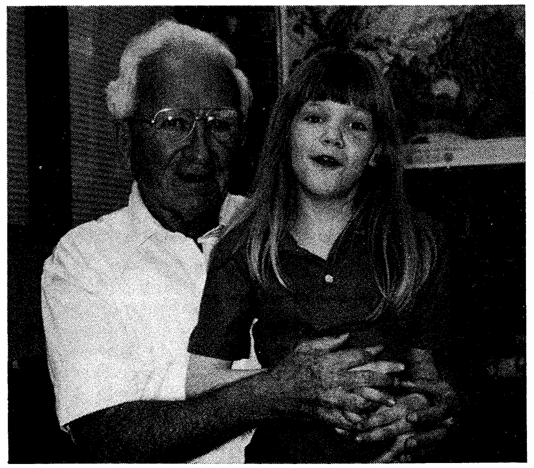
In 1988, Brother Canisius Schell was involved in a volunteer program at the Bay-Waveland Headstart Center. It was there that he met a 4-year-old autistic child named Lizzie. He was deeply moved by her and wanted to help make her life better. He asked for student volunteers to help set up a program on school day afternoons. The first year the volunteers came from Our Lady Academy. Brother Canisius and the girls attempted to break into Lizzie's silent world with games, puzzles, and music.

The following year he visited the SSC Senior Religion classes. He spoke to them about Lizzie and asked if any of them would like to help with the program. Forty-seven students volunteered and a program was set up. The students worked four afternoons a week in groups of four. Brother Leon also got into the act by building a small balance beam to help with Lizzie's coordination. A small room on the first floor was designated as "Lizzie's Room". It contained a small closet where Brother Canisius kept various objects such as balls, beanbags, stringing beads, and other items to help Lizzie with her fine-motor skills. Some of the other Brothers began suggesting and locating items to be used during Lizzie's sessions. Parents of students sent puzzles, workbooks, and even homemade items designed to help Lizzie learn to button, zip, and tie shoestrings.

A very crucial point in Lizzie's development came the year that she was to enter the school system. In order to do that, she had to be tested to see what educational level she was on. There were two options--she could be placed in the profound classroom where severely handicapped children were, or she could be put in the high functioning class. In order to get there, she had to test successfully. Lizzie was brought to the Special Ed office to begin testing and she became uncooperative and hysterical. Her mother felt that Lizzie was afraid because it had the look of a doctor's office - a place where Lizzie had frequently been and which terrified her. Her mom requested that the testing be moved to "Lizzie's Room" at SSC - a place where Lizzie felt at ease. The psychometrist who did the testing agreed to the unusual request. In an unheard of move, she allowed the SSC students who had been working with Lizzie to administer the tests under her supervision. Because of the trust and love the SSC students had developed with Lizzie, she tested successfully and was able to be placed in the higher functioning class.

Over the years the program continued, never lacking for caring volunteers. A procession of SSC students came to know and love the little girl who wanted to badly to be able to speak. In 1991 Lizzie was introduced to Dr. Teresa Callahan, a professor of Special Education at USM. Dr. Callahan introduced Lizzie to facilitated communication. It was as if a dam had burst. During the 93-94 school year she was mainstreamed into several regular ed classes at Waveland Elementary School. She was doing well but still had a lot of difficulty with behavior problems and extreme hearing sensitivity. During a conversation with Mrs. Adrienne Quinlan, a secretary at SSC, Lizzie's mother mentioned a treatment available in Houston, TX, that had a great success rate in enabling autistic children to verbalize and also improve behavior problems. The treatment took 14 days, and was expensive. After the conversation, Mrs. Quinlan went to Mr. Bill Jennings, an SSC teacher who is in charge of the Lenten Giving Fund. Upon taking a vote, the students agreed to send Lizzie and her family to Houston for the treatment.

> *"A procession of SSC students came to know and love the little girl who wanted so badly to be able to speak."*



Brother Canisius began working with Lizzie in 1988. Lizzie's mother attributes many of the successes of her daughter to the program set up by Brother Canisius.

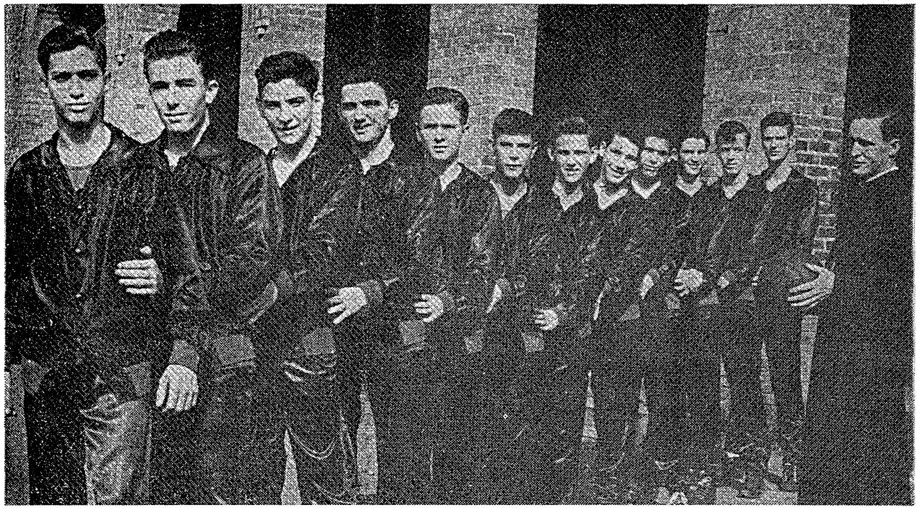
As a result of that treatment, Lizzie is now in a regular 4th grade class at Bay Middle School. She maintains an A/B average and has made honor roll each grading period. She is well-liked by her peers and is a happy young lady. She is a determined young lady and has typed in her nightly journal, "I want to be a doctor. I have the will to fight autism and be somebody special. I am God's messenger that autistic people are important too. I talk to Jesus every day and He tells me to keep praying, and I will witness Him. I am living proof of God's love."

Brother Canisius's "Project Lizzie", is also living proof of Gods' love. Now in its seventh year, the project is carried out three days a week, during the school year and through the summer by a group of seniors from Our Lady Academy. This group of girls began working with Lizzie the summer after their freshman year and have given her three years of love, laughter, and companionship. Because of their efforts, Lizzie is now playing several tunes on the piano.

Lizzie's mother sums it up, "I don't think there is a school anywhere that has taken on a project of this magnitude. When Lizzie was diagnosed at the age of two, the doctors told us that she would never function past the mental age of six. They also told us to consider putting her in residential care and getting on with our lives. That was an extremely lonely and frightening time for us. I know that God sent Brother Canisius to us. Since then, she has steadily progressed and everything has happened according to God's plan for her. Lizzie has touched so many lives and in turn, our lives have been enriched. Because of the love, the caring, and commitment to our daughter, she has been able to reach for the sky."

SSC Grabs First Division Title Since 1945

Last month the SSC Varsity Basketball team defeated D'Iberville High School to earn the Division 8-4A title. This is the first division or district title for SSC in basketball since 1945. SSC was defeated in the first round of playoffs against the defending 4-A state champs, Northeast Jones. The SSC Varsity Basketball team is coached by Jay Ladner.



Members of the 1945 varsity team are (front to back) Leon Ferrier, Pat Wilson, Joseph Nusz (Mgr.), Buddy Gulotta, Niles Sjodahl, Joseph O'Donohoe, T. Sellers Meric, Charles Johnson, Spurgeon Lachaussee, Rudy Nieto, Pat Fleming (Mgr.), and Jim Smith. Brother Adalbert, basketball coach, is holding the ball.

Jim Smith, '45 recalls that the 1945 South Mississippi State Title Match was played in Philadelphia, MS and because the town had no hotels, the players were housed with the few Catholic families in the area. When SSC won, Smith said their Catholic hosts cried as freely as the team.

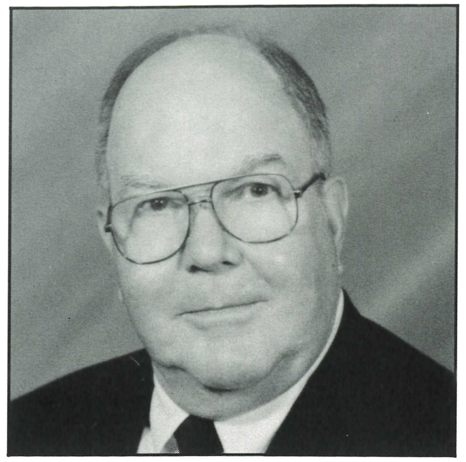
PRESIDENT'S LETTER



Dear Alumni and Friends,

When you reach my age, you are no longer surprised at how fast the months pass; you get used to it. I *would* have appreciated a little more time to "recuperate" from last school year and get ready for the new one, however St. Stanislaus' 142nd year is upon us!

It looks as though it's going to be our best year yet -- thanks to your enthusiasm and support. Some of the changes we have planned will become obvious as the year goes along. Others will be more subtle, but often even more important.

For one thing, we are spending a lot of money to enhance the academic program. We're adding some new teachers so that the Assistant Prefects need no longer teach, giving them the opportunity to devote their time and energies full-time to their important task of caring for our resident students. This is not a dramatic or obvious improvement, but it is truly a significant one- one which will strengthen both our academic program and our residency program. Our Board of Directors does not spend money readily - they have to be convinced. They saw this as a great step forward and readily approved the outlay of funds to bring it about. They know it will make St. Stanislaus a better place for students.

Last year we took a giant step forward to improve the benefits for our many employees who work for SSC on an hourly basis, mostly our workers in Maintenance and Food Services. We started offering them health insurance as a part of their benefit package. This year we have finally increased their hourly wages to a point which we feel is dictated by justice. It will make us more competitive in our burgeoning job skill market.

Obviously, we continue to raise our teachers salaries so that we might attract and keep effective teachers. Our teaching staff is steadily improving, and our students continue to benefit.

As I finish my first year as President of St. Stanislaus College Prep, I must confess that the job has been more demanding and challenging than I thought it would be. But when I see our students succeeding in classes, growing more self-confident, feeling good about themselves, and living out their faith, I know it's worth it.

Rest assured that all of us here at the College will continue to do our best to help SSC grow daily in "wisdom, age, and grace." We take our mission statement seriously, and we want SSC to continue to be "the school of character." We know that our students need us now, perhaps more than ever before. They're what we are all about.

With your continued support and encouragement we know that we will succeed. The Brothers thank God for you daily as we remember you and yours in our prayers.

Sincerely yours,

Bro. Donnan, S.C.

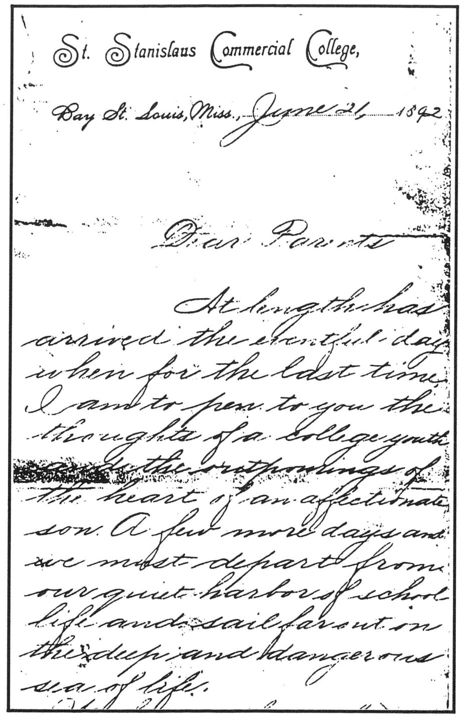
1892 Graduation Letter Home Rings True Today

James F. Terrell, Class of 1892, wrote home days before his graduation from SSC advising his parents to "keep this letter as a memento of my college days." Mr. Terrell attended SSC when the school was a Commercial College. James' grandson, Joe Terrell from Mobile, had kept the letter. Recently, Gordon, Joe's brother, donated a copy of the letter to the SSC Archives Room. Joe and Gordon were both educated at St. Aloyisius in New Orleans. Seven grandchildren and three great-grandchildren of James have been educated by the Brothers of the Sacred Heart.



St. Stanislaus Commercial College,
Bay St. Louis, Miss., June 21 1892

Dear Parents

At length has arrived the eventful day when for the last time I am to pen to you the thoughts of a college youth and the outpourings of the heart of an affectionate son. A few more days and we must depart from our quiet harbor of school life and sail far out in the deep and dangerous sea of life.

Excerpts from the original letter:

"We have not only received an education that qualifies us for business, but our noble professors have instilled into our minds that moral conviction, and respect for religion which is the very essence of ones character and which is so instrumental in effecting the destiny of an individual.

We consider ourselves fortunate in having received an education in an institution which has sent forth scores of young men that have made their mark in the world...

It has been the sole aim of the dear brothers to teach us how to navigate ourselves in this dangerous sea. To them we owe a deep debt of gratitude that can never be canceled."

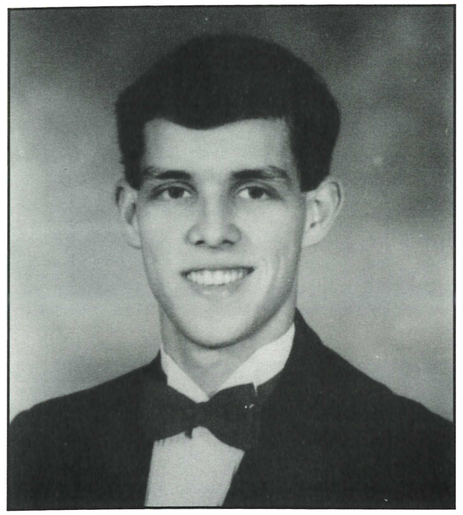
Spike Shoe Club Applauds Moran's 7 Foot Vault



SSC Senior Vince Moran cleared the 7 foot mark in the boys High Jump in Class 4A competition which was held in Amite County in March, becoming the fourth Mississippi High School athlete to record a 7 foot High Jump. Vince placed 3rd in the High Jump and earned All-American Honors in the Scholastic National Indoor Championships in Syracuse, New York, on March 11, 1995.

Moran has signed a full athletic scholarship for track at Mississippi State University.

Five team members qualified for the South State Meet in the eight events in which they competed. This was a first for SSC! The individual results were: Vince Moran - 1st in the High Jump at 6′10′′ and 4th in the 110 meter Hurdles; Clay Williams - 2nd in the High Jump at 6′8′′; Matt Tusa - 1st in the 3200 meter race and 4th in the 1600 meter race and 4th in the 800 meter race; and, Sonny Schindler - 3rd in the pole vault at 11′.

Special thanks to Coach Larry Ramsey who coached the Track team to 6 consecutive District Titles; placing 2nd in the District this year.

Vince Moran received the Mr. Rock-A-Chaw Award for Track.

19th Hole Club Proud

The SSC Golf team won its 3rd straight Division 8 - District 8 4A Golf Title, and its 3rd straight State Tournament appearance for the Rocks. In 1993 the Rocks were 16th. In 1994 they had a 9th place finish and in 1995, they finished 2nd. Andy Jacobson, a freshman, was 2nd in State 4A, shooting a 75 and 74; Chris Allen shot a 77 and 80; Bart Vanderhoeven shot 75 and 78; Chris Genin 78 and 80; and Ashley Cox with 82 and 86.

For the year, the Rocks participated in 6 Golf Tournaments on the Gulf Coast and in Mobile with four 1st Place finishes, one 2nd Place and a 4th Place.

Ashley Cox, senior, received the Mr. Rock-A-Chaw Award for Golf.

Brother Felician Fourier died March 17, 1995, and was buried at SSC in the Brothers cemetery. Br. Donnan Berry, friend of Br. Felician and president of SSC, remembered Br. Felician as a former SSC president, as a Superintendant of Catholic Schools and member and president of the Louisiana State Board of Education. But SSC alumni will appreciate with a smile one fond remembrance:

''Through his ingenuity, he was instrumental in ridding the Stanislaus football field of those pesky rock-a-chaws with which St. Stanislaus has had a love-hate relationship over the years. In the days before weed-killers were effective and inexpensive, he and Brother Philip rigged up a large roller with old blankets which they dragged up and down the football field until they were literally covered with rock-a-chaws. It did the job.''

Two Brothers From India Coming To St. Stanislaus

Brother Arogyasamy Divinanathan, SHJ, and Brother Swaminathan Xavier, SHJ, will be coming to St. Stanislaus this summer to live with the local community of brothers for the 1995-96 school year. These two brothers are from southern India where they belong to a 150-member congregation of brothers also known as Brothers of the Sacred Heart. They use the initials SHJ for the Sacred Heart of Jesus. Brothers Dvinanathan and Xavier are participating in a two-year collaboration program between their congregation and the New Orleans Province of the Brothers of the Sacred Heart that have conducted St. Stanislaus for the past 141 years, an international congregation founded in France that uses the initials SC for Sacré Coeur.

Brother Divinanathan, 37 years old, made his first profession in 1982 and his final vows in 1988. He holds a M.A. degree in Theology. His experience includes Technical School Manager, Adult Education Supervisor, secretary to the Bishop Guntur for nine years, House Procurator, and administrator of the Institute of Graphic Arts at Palaymkottai in southern India. Brother Xavier will be 35 this month. His first vows were in 1978 and his final profession in 1984. He holds bachelor's degrees in Communication and Education. The specific duties of these two brothers at St. Stanislaus will be worked out with Dr. Michael Ryan, principal, and Brother Xavier Werneth, local superior, shortly after their arrival in Bay St. Louis.

Tamil, an ancient language in India spoken mainly in the southern state of Tamil Nadu, is the first language of each of these two brothers. English, one of the official languages of India along with Hindi, is a second language to them. Their congregation of brothers, founded 93 years ago in India, is dedicated to bringing the Good News of the Gospel to the poor through evangelization and education. The brothers in India work mainly in Catholic schools and orphanages in the states of Tamil Nadu, Kerala, Andhra, and Karnataka. The population of India is over 900 million people, but fewer than 1% are Catholic in a country where the Hinduism is the predominant religion.

The purpose of the collaborative project is to help the two congregations know and understand one another's mission and charism better by getting to know and live with members of the other congregation in order to share spiritual and cultural values. The coming of the two brothers to St. Stanislaus is part of an overall six-year agreement renewed in Rome last September between the Brothers of the Sacred Heart of Jesus (SHJ) and the Brothers of the Sacred Heart (SC). More specifically it is part of a two-year agreement between the Province of New Orleans and the brothers in India.

St. Stanislaus Students Second In State In Stock Market Game Competition

In the Mississippi Stock Market Game, a St. Stanislaus sophomore team, captained by Michael Mancuso a President's Scholar, captured second place in Mississippi and ninth overall in the four state area of Mississippi, Louisiana, Virginia, and West Virginia with an $18,000.00 gain in ten weeks. This second place finish was the highest any Gulf Coast school has recorded. The other team members were Ty McMichael, Mark Modenbach, Robbie Morrison, and Joey Niolet. Mr. Michael Gemelli, STAR Teacher for 1995, and math department chair at SSC, is the Stock Market Game coordinator at SSC.

This St. Stanislaus sophomore team (left) placed second in the state in the Stock Market Game sponsored by the Mississippi Economic Council. Team members were (L-R) captain Michael Mancuso, Joey Niolet, Mark Modenbach, Robbie Morrison; game coordinator Mr. Michael Gemelli, and (seated) Ty McMichael.

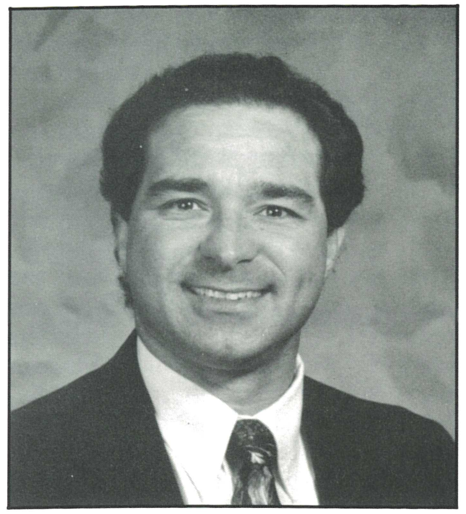
Michael Gemelli Selected STAR Teacher For 5th Time



For the fifth time in his 16 years teaching career at SSC, Mr. Michael Gemelli was selected STAR Teacher. Patrick Cousins, STAR Student, selected Gemelli because ''he makes the class interesting and yet functional. He knows what is required in college and adjusts and preps you for college work. Mr. Gemelli is a Christian person and incorporates his values into his teaching.''

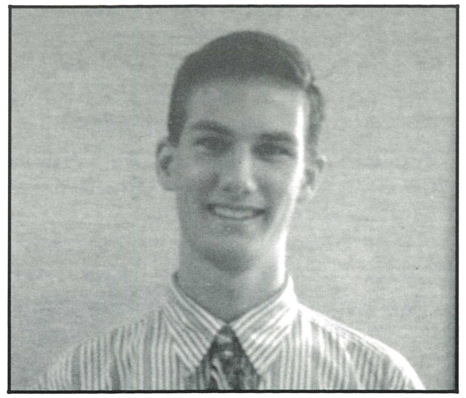
Congratulatory thanks to Joseph Terrell of Mobile, Alabama, who donated to the Archives Room a copy of his grandfather's 1892 letter home on his graduation from St. Stanislaus Commercial College. (See page 2 this newsletter.)

Holder To Attend Governor's School

Matt Holder, a junior at St. Stanislaus College Prep, has been selected to participate in the 1995 session of the Mississippi Governor's School. The Governor's School is a residential honors program established in 1981 by Governor William F. Winter at Mississippi University for Women. The Governor's School is designed to provide academic, creative, and leadership experiences for a limited number of rising high school juniors and seniors who have demonstrated exceptional ability and achievement in their studies and who show high intellectual, creative and leadership potential.

Holder is the son of Mr. and Mrs. George Holder of Long Beach.

Esher Elected Key Club Lt. Governor For '95-'96 Year

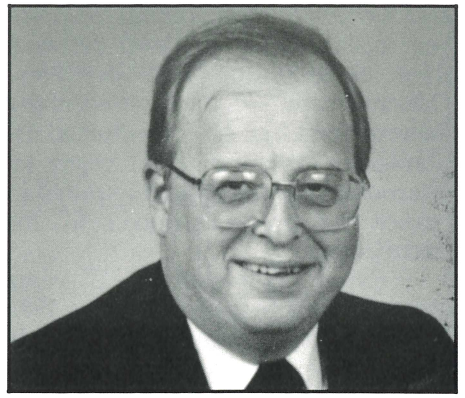


Scott Esher has been elected the 1995-96 lieutenant governor of Division 14 Key Club at the 52nd Annual Key Club convention for the Louisiana-Mississippi-Tennessee District.

The Key Club is a high School service organization sponsored by Kiwanis International and the Gulfport Kiwanis Club.

As lieutenant governor, Esher will serve as a member of the district board of trustees, assume the responsibility of representing the district and serve as a liaison between the governor, his programs and the individual clubs in Division 14.

Esher is the son of Dr. and Mrs. Robert Escher of Waveland



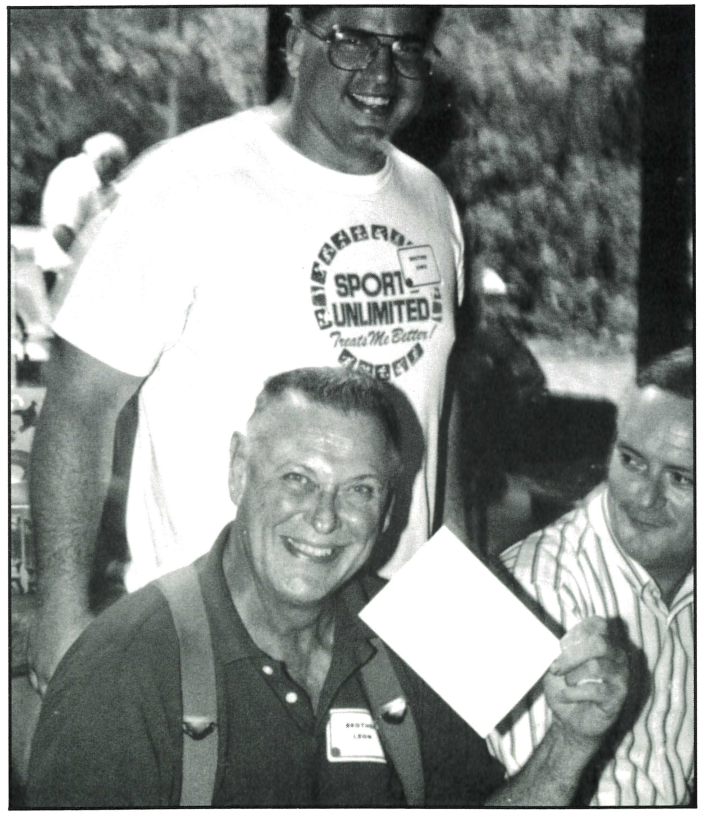
Br. Ronald Talbot, SC, joined SSC as the Director of Finances on July 1, 1995. After many years residing in Baton Rouge and teaching at Catholic High, Br. Ronald Talbot is returning to Bay St. Louis having taught here in 1985.

The J.T. LaNasa family attended the Spring Band Concert to present the LaNasa-Greco Annual Band Award to Marc Cerisier, seventh grader (center right). To honor J.T.'s memory, Jason Tournillon, nephew of Mr. LaNasa (far right), presented the award to Cerisier. The following other family members were able to be present: (L-R) Ms. Jennifer LaNasa of New Orleans, Br. Ramon Daunis, SC, '47; Mr. James T. LaNasa, Jr.,'78, of New Orleans; Marc Cerisier, Mrs. Joyce LaNasa, and Jason Tournillon.

Junior High Students Read Over 1200 Books

St. Stanislaus

Sixth, seventh, and eighth graders made a Reading Chain which was displayed during the SSC Fine Arts Festival held in April. Over 1,200 links represent the books read by these students since the beginning of this school year. Mrs. Ryan's (back left) seventh grade reading class, and Mrs. Dillenkoffer's (back right) sixth graders are holding the chain. Mr. Stephen Cuevas', '88, students also participated.



Br. Leon Stock holds the gift certificate that he won during the SSC End of the Year Picnic. Dr. Michael Ryan, principal and Class of '68, (seated at right) enjoyed the crawfish boil with the faculty and staff. Br. Chris Sweeney, SC, (standing) was one of the committee who organized the picnic.

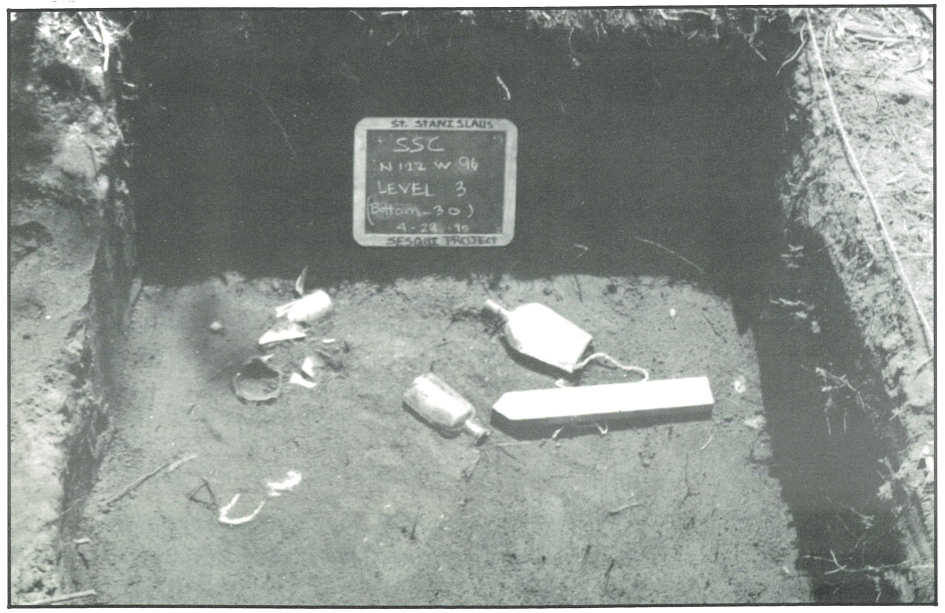
Student Lenten Giving Drive Raises $9,000.00

During the six week Lenten Giving Drive sponsored by the Student Council, the students raised over $9,000.00 through raffles, auctions and read-a-thons. Mr. Bill Jennings, Student Council moderator, said that the Council decided the bulk of the money will be sent to the St. Anne Mission on the Navajo Indian Reservation in Arizona where Br. John Hotstream, '55, is stationed. About a quarter of the fund will be sent to the Brothers of the Sacred Heart African Mission.

SESQUI PROJECT

Second Dig of the Sesqui Project yields Artifacts



Seniors excavating during the Second Dig of the Sesqui Project opened four pits. Pit Four sites yielded substantial artifacts including turn of the century bottles pictured above. The Sesqui Project is a ten year experiment in the social sciences which integrates archaeology, anthropology, history, geography, and political science in the curriculum. Due to the historic importance and significant antiquity of the school, the project emphasizes history, archaeology and geography through hands-on research and data collection from scientific archaeological excavations on the school's ground.

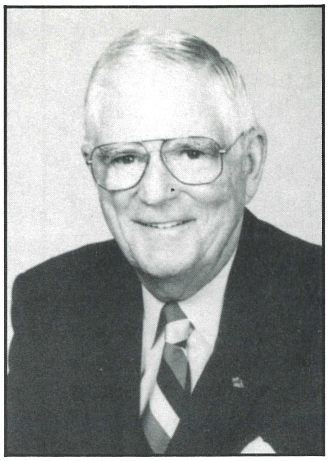
St. Stanislaus Inducts Hall of Fame Candidates



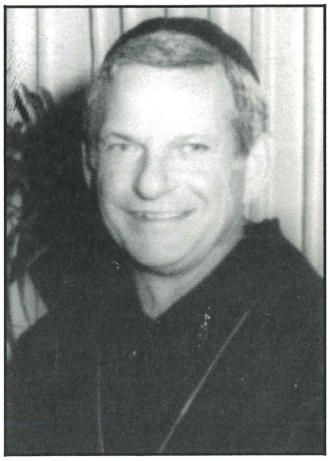
Mr. James J. Bryan, Sr.
St. Stanislaus Class of 1941

Mr. Bryan graduated as president of his class. He received his BA degree from Loyola University of New Orleans. He opened his first Chevrolet dealership in 1955. In 1992, he was named the ''Louisiana Car Dealer of the Year.'' He is Chairman of the Board of Bryan Chevrolet-Mitsubishi-GEO, Inc. and Bryan Realty, Inc. of Metairie, Louisiana.

Jimmy has been active in professional, civic, and religious organizations. He served as an officer of the SSC Alumni Association and has been a generous benefactor of the school.

Br. Noel Lemmon, SC

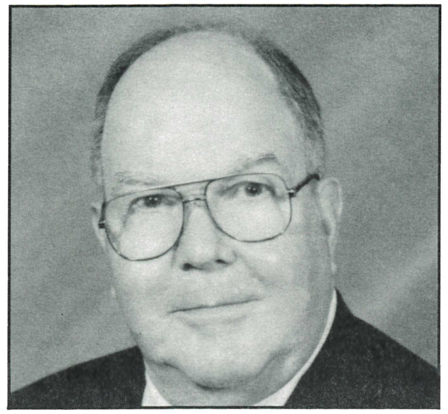
Brother Noel has directed Camp Stanislaus since 1969. He has influenced hundreds of counselors and thousands of campers. At SSC he also served as Dean of Students, Director of Transportation, and taught aviation, English, history, mathematics and religion. During his teaching career, he was named four times as STAR Teacher.



Abbot Matthew Claude ''Salty'' Martin, OSB
St. Stanislaus Class of 1944
1926 - 1991

Abbot Matthew graduated from SSC as president of his class and recipient of the Character Cup. He was ordained at St. Joseph's Benedictine Abbey in St. Benedict, Louisiana, in 1954. He became the first Benedictine Abbot in Central America and in Guatemala as the first Abbot of the Abbey of Jesus Christ Crucified in Esquipulas, Guatemala, in 1982.

PRESIDENT'S LETTER



Dear Alumni and Friends,

The Class of 1996 — all eighty of them — have graduated and are bringing the "Story of St. Stanislaus" with them into colleges and universities far and wide. We ended our 142nd year in fitting fashion, thanking God for his gifts and making plans for the future.

We had hardly finished cleaning up and putting books away, when Brother Noel's young helpers began to arrive and get ready for Camp in earnest. As we go to press, 160 campers from 9 to 15 years of age are experiencing one of the highlights of their lives.

I remember some years ago in Baton Rouge talking to Josef Sternberg, a member of the family which founded and operated Godchaux's department store for so many years. Though of Jewish faith, his face lit up and his eyes glowed when he spoke of Brother Peter and his years at Camp Stanislaus as a youth. He acknowledged that it was one of the strongest influences in his youthful formation, and he was intensely grateful for what the Brothers had done for him.

Even in its "down time" Stanislaus continues to do good for kids.

This coming year promises to be one of our best ever. With the advent of Brother Ronald Talbot as principal and Brother Ronald Hingle as assistant principal, St. Stanislaus can face the future with confidence and pride. It truly amazes me that God has made it possible for them to take over such important leadership positions here. We have been truly gifted! They bring a wealth of talent and experience second to none in our Province.

You will, no doubt, hear much about the "Two Ronalds" during the coming year. They will not make everyone happy, for when it comes to running a school, they are traditional in many ways — they believe in order and discipline, high expectations and realistic demands.

And in many ways they are progressive and forward looking. They believe in the new and proven ways of improving instruction and giving students — all students — maximum opportunities to learn.

We will try to keep you abreast of the changes taking place here at St. Stanislaus, changes which promise to propel us into a golden future. Please pray for all of us who are working so hard to make it a reality, but please pray especially for Brother Ronald Talbot and Brother Ronald Hingle as they take the academic reins of this institution which we love so dearly.

They need your prayers and your moral support as they labor to usher in a new age at SSC.

We're counting on you!

Sincerely in Corde' Jesu

Bro. Donnan, s.c.

Brother Donnan Berry, SC
President

New Principal Named At St. Stanislaus

Brother Ronald Talbot, SC, has been selected as the next principal of St. Stanislaus College Prep. He was chosen by the school's board of directors to serve as principal for an indefinite term beginning with the 1996-97 school session.

The announcement of Brother Ronald's appointment was made by Brother Donnan Berry, SC, president of St. Stanislaus. Brother Ronald's availability for the position of principal was communicated to the board of directors by his religious superior, Brother Paul Montero, SC. Brother Paul is Provincial of the New Orleans Province of the Brothers of the Sacred Heart. In this capacity he is responsible for the annual assignments of all the Brothers of the Province.

Prior to this appointment, Brother Ronald served as principal of four different schools for a total of 14 years of administrative experience at this level. For the 1995-96 school year, Br. Ronald served as Director of Finance at St. Stanislaus. He served as principal of Vandebilt Catholic High School in Houma, LA, 1978-80; Catholic High School in Baton Rouge, LA, 1980-84; St. John Elementary School in Montgomery, AL 1986-89; and E.D. White Catholic High School in Thibodaux, LA, 1989-94. He was Assistant Principal of Catholic High in Baton Rouge from 1973 to 1975 and Director of Student Activities at Brother Martin High School in New Orleans during the 1976-77 school session.

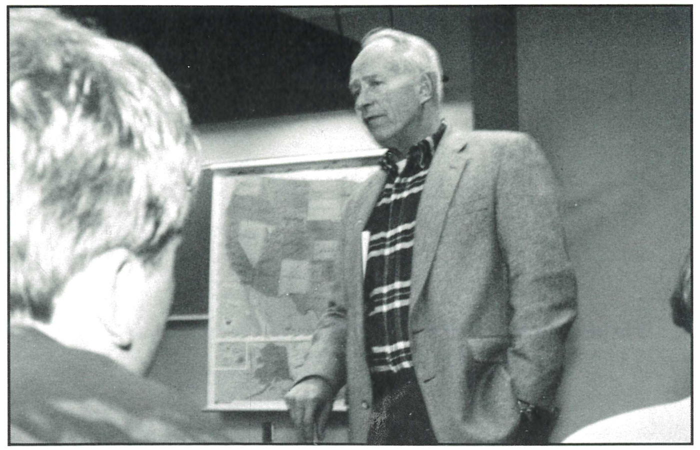
BULLETIN BOARD

Historian Dr. Stephen Ambrose Speaks to St. Stanislaus History Students

Historian, scholar and author Dr. Stephen Ambrose, recently spoke to St. Stanislaus College Prep juniors and seniors. His lecture was introduced by Brother Malcolm Melcher, SC, who discussed the week-long NBC television commemoration of the 50th anniversary of the Allied Forces' invasion of Normandy in which Tom Brokaw was the commentator and Dr. Stephen Ambrose was his history expert and consultant on ''D-Day Plus 50 Years.''

Dr. Ambrose spoke to history classes, enriching their understanding of the dangerous travels of the 19th century pioneer. He left the students with such quotes as, ''A good leader pushes his men to places they did not know they could go, without pushing them over the limit.''

Dr. Ambrose has adopted Helena, Montana, and Bay St. Louis for places to live and to inspire his writings.



Historian/author Dr. Stephen Ambrose gives a lecture to St. Stanislaus students.

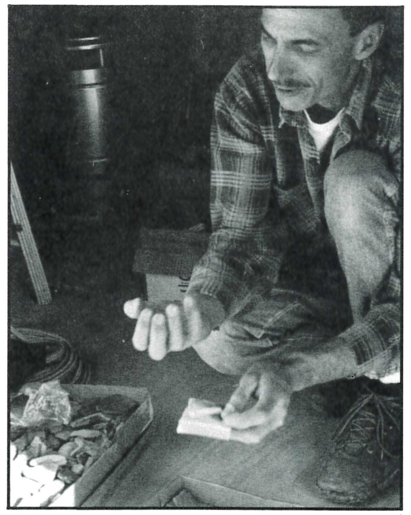
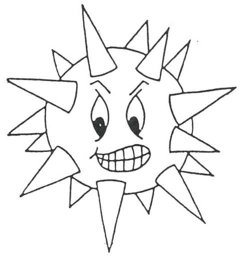
Collection of Artifacts Donated

Mr. Cal Moyer, an amateur archeologist from Bay St. Louis, donated his extensive collection of Indian artifacts and other found items to the Sesqui Project at St. Stanislaus College Prep. Over four years Cal had collected pottery shards dating from the Marksville Period (200 B.C.-200 A.D.) and the Late Woodland through Mississippi Periods (400 A.D.-1500 A.D.). The site, from which this collection was recovered on the beach south of the Bay St. Louis bridge, has been designated as eligible for the National Register of Historic Places by Jackson's office of Archives of History.

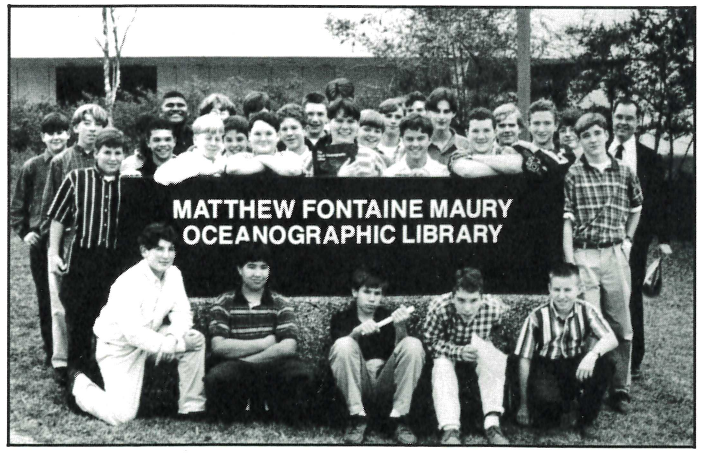
Mr. Moyer donated his collection knowing that these artifacts would support the classroom work and research associated with the school's ten year archeological project.

Marco Giardino, Ph.D., mentor of the Sesqui Project, said ''this significant ceramic collection is representative of the styles and manufacture of early American Indians. Numerous shards, decorated with incised lines and punctations, date from the first millennium A.D. and even earlier. Also of interest is the historic artifact collection which includes 19th century tools, metal toy soldiers, hurricane lamps and historic bottles.''





Cal Moyer describes a shard from his private collection which he donated to SSC for the Sesqui Project.



Br. Eduardo Baldioceda (far right) and his physical science class toured the Naval Oceanographic Center and the library at Stennis Space Center.

Third Dig of the Sesqui Project

In April, the seniors conducted the third dig of the Sesqui Project, the ten year archeological investigation of the SSC campus. One excavation was reopened from last year's work with two other adjacent excavations all of which yielded nails, bottles, ink bottles, nibs, metal pieces, shards of earthenware, bottle caps and assorted discards from the Back School era. NASA and NAVOCEANO were again corporate sponsors who lent professionals who guided the students' investigation. Marco Giardino, Ph.D., from NASA, mentor of the project; Al Genin '60, surveyor, and Ms. Mary Pyles, from NAVOCEANO, have been with the project during these first three years.

SSC Golden Jubilarians Present Gift

Gift From Class of '46

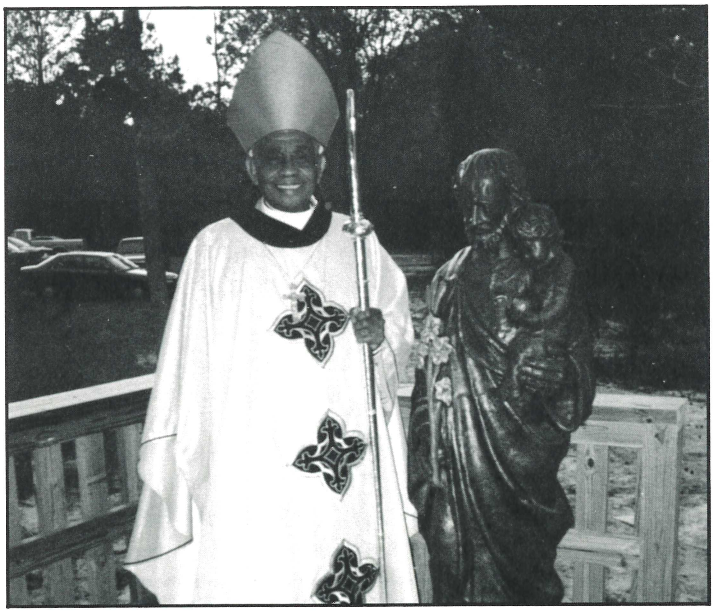
Brother Clement Cosgrove, SC, (left) accepts Class of '46's gift from Pepper Martin.

The St. Stanislaus Golden Jubilarians, the Class of 1946, presented a generous gift to the school to commemorate their jubilee. The donors were bottom row (l-r), Keith Capdepon, Vince Caruso, Bobby Fayard, Buddy Gulotta, Tom de la Reguera, Pat Wilson, Allen Melancon, and top row (l-r), Rodney Ranson, Al Bercier, Herbert Babin, Frank Fabacher, Peter Quoyeser, Martin Koch, Andy Martinolich, Pepper Martin, and Ralph St. Ament. Mrs. Mary Steiner, widow of Edward Steiner '46, also contributed (not pictured).

Lenten Giving Drive Funds Shrine

The generosity of SSC students funded the construction of the shrine to St. Joseph at St. Joseph Chapel in Bay St. Louis. A portion of the $8,000 raised by the Student Council during the Lenten Giving Drive paid for the shrine and statue to commemorate the chapel's centennial. Mr. Mike Gemelli facilitated this building project. The March 21, 1896, *Sea Coast Echo* reported the celebration of the first mass at the chapel saying the ''college pupils attended in a body and it was they who furnished the choir music, including the college orchestra.''

The St. Anne Mission for the Arizona Apache Indians, the African missions of the Brothers of the Sacred Heart, and the Methodist Gulf Coast Children's Home also benefited from this year's drive. Mr. Bill Jennings sponsors the Student Council.



Bishop Joseph Lawson Howze, Bishop of the Biloxi Diocese, posed beside the new statue of St. Joseph, his patron saint, after the centennial Mass.

Once Useful Tools Now Archives' Antiques

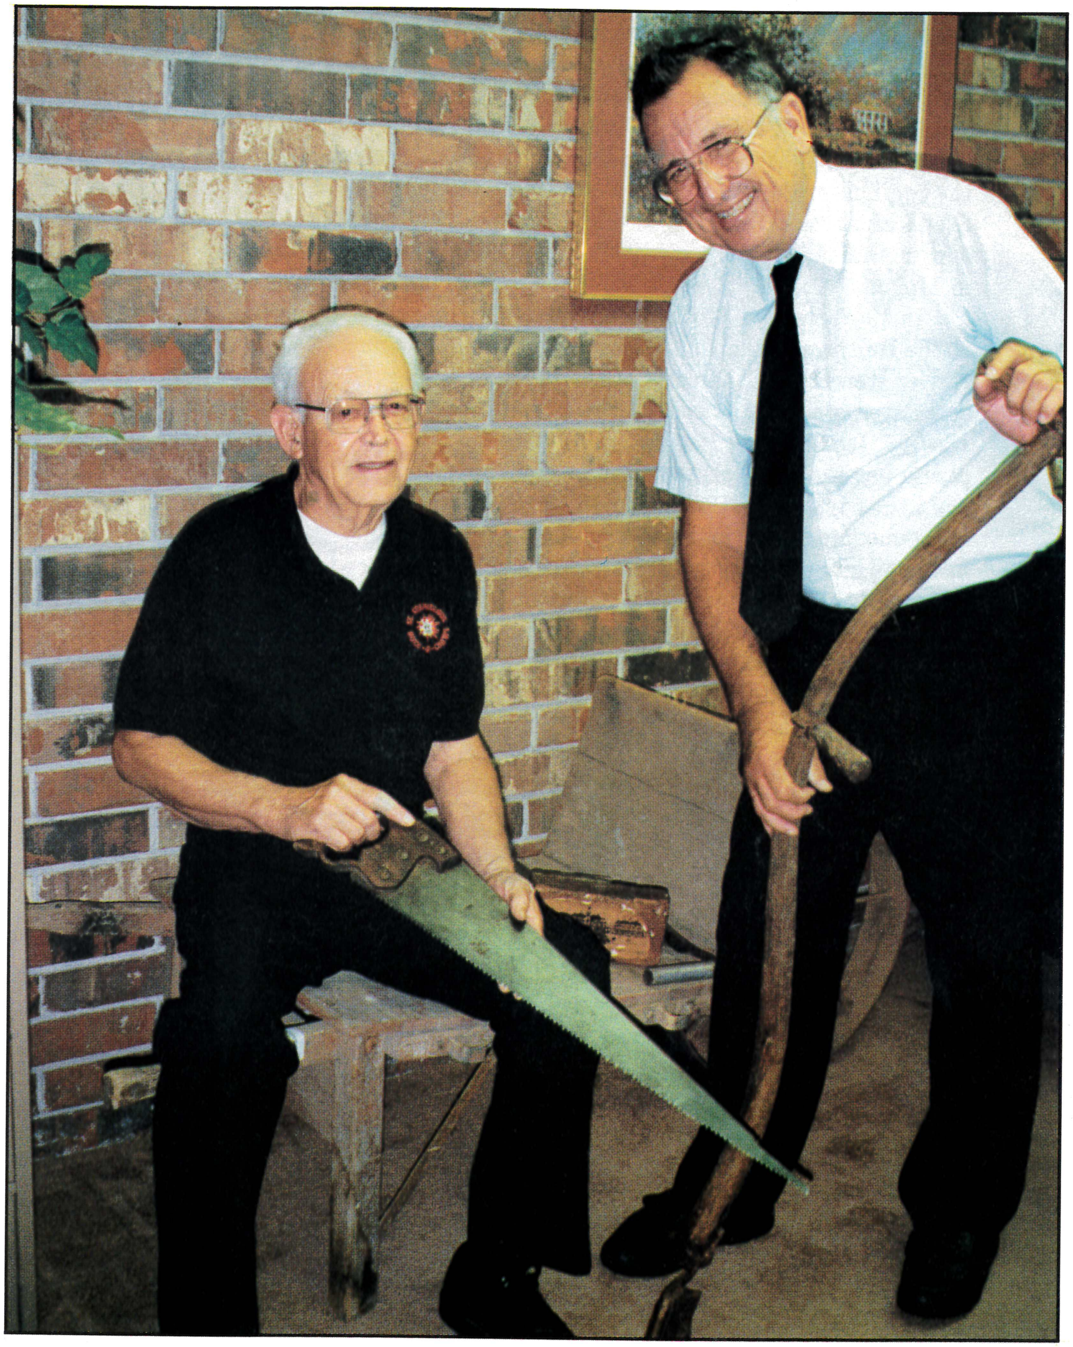

Photo By Kathy O'Brien

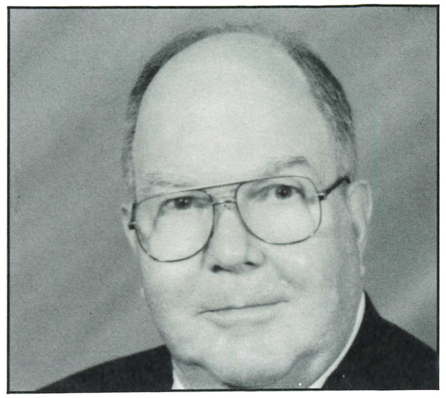
Br. Loyola Mattingly, SC, left, and Br. Noel Lemmon, SC, both of whom were close friends of Br. Aurelian good-naturedly pose with his tools. Br. Loyola donated these handmade utilitarian implements of Br. Aurelian, SC, for whom Aurelian Hall is named. They include a brick cart, a draw knife, a saw and a sickle. Br. Aurelian who was from France built his own cottage on SSC property because he liked to get up early in the morning to care for the cows. Also known as "The Chief," Br. Aurelian was famous for his stories. Whenever anyone would tell an interesting tale, Br. Aurelian would have one better to tell. Chief One Better also built his own wine cellar and made his own wine in his one-room cottage which was destroyed after hurricane Camille in 1969.

PRESIDENT'S LETTER



Dear Alumni, Parents and Friends,

The 1996-97 school year has begun, and we are excited about the changes and celebrations coming up during the year.

For one thing, 1997 marks the 150th anniversary of the Brothers of the Sacred Heart in America. At the request of the Bishop of Mobile, Alabama, Brother Polycarp sent the first five Brothers from France to serve in the United States. They arrived in Mobile on January 12, 1847. There will be a special Mass and celebration in Mobile on Sunday, January 12, 1997, to commemorate their arrival and the beginning of a century and a half of service to the young people of the United States and Canada. All of you are invited to the Mass. It will take place at 10:30 a.m. on Sunday, January 12, 1997, in the Cathedral of the Immaculate Conception in Mobile.

In 1947, the late Brother Macarius, SC, wrote a history of the first 100 years of the Brothers in the United States, entitled *A Century of Service*. Now Brother Xavier Werneth, SC, Director of the Brothers here at St. Stanislaus, has recently completed a history of the Brothers in the United States for the past 50 years, 1947-97. It is entitled *Plus Fifty*. For those of you who may wish to have a copy, please use the form located on page eight of this newsletter.

In early June, 1997, Centennial Hall will be completely renovated to accommodate better the needs of our aging Brothers. A great deal of time and talent has gone into planning these renovations so that the needs of the Brothers will be adequately met. This project is being funded by the New Orleans Province of the Brothers of the Sacred Heart.

Our annual giving programs for both parents and alumni are getting underway and we look forward to another successful year. All funds collected this year in the Parents Annual Giving Appeal will go to enhancing the library computer network and Internet connection. We estimate this will cost $60,000.

Donations to this year's Annual Alumni Appeal will be used to help fund a covered walkway in the Diboll Plaza. This will make it possible for our students to walk between the school and the dining hall in rainy weather without getting wet. As you can see, both of these projects will be quite beneficial to our present and future students. When you receive your appeal letter for either of these undertakings, please be as generous as possible. Our kids deserve the best!

In the meantime, Brothers Ronald Talbot and Ronald Hingle continue to work diligently to provide our students with the best possible Catholic education in the tradition of the Brothers of the Sacred Heart. It is heart-warming to see all that they have accomplished in such a short time.

Be assured that we Brothers will continue to keep all of our students and their families and all our alumni in our prayers daily. May God bless you and hold you close to His heart!

Sincerely in Corde' Jesu

Bro. Donnan, sc

Brother Donnan Berry, SC,
President

Br. Donnan Berry's Jubilee

Br. Donnan Berry, SC, president of SSC, celebrated 50 years as a Brother of the Sacred Heart on August 15, the anniversary of his first religious profession of vows. Br. Donnan, a native of New Orleans, graduated from St. Aloysius in New Orleans in 1945 and later that year began studies for the brotherhood in Metuchen, New Jersey.

For the past 49 years, Br. Donnan has been a teacher, counselor, development director and adminstrator of schools in Brooklyn, Mobile, Baton Rouge, New Orleans, Alexandria, Metuchen and currently is our president. He also serves on the leadership team for the Brothers in the New Orleans Province.

Br. Donnan's contributions to the field of education have extended beyond the schools conducted by the Brothers of the Sacred Heart. He was founding president of the Baton Rouge Chapter of the National Society of Fund Raising Executives, has held numerous leadership positions in the National Catholic Education Association and the National Association of Secondary School Principals, as well as serving on several diocesan and archdiocesan boards in Louisiana. Br. Donnan renewed his religious vows during a special ceremony Easter weekend.

Br. Canisius' 70th Jubilee

On August 15, Br. Canisius Schell, SC, celebrated the 70th anniversary of his profession as a Brother of the Sacred Heart. Congratulations and thanks, "Coach," for serving the Sacred Heart so well these many years.

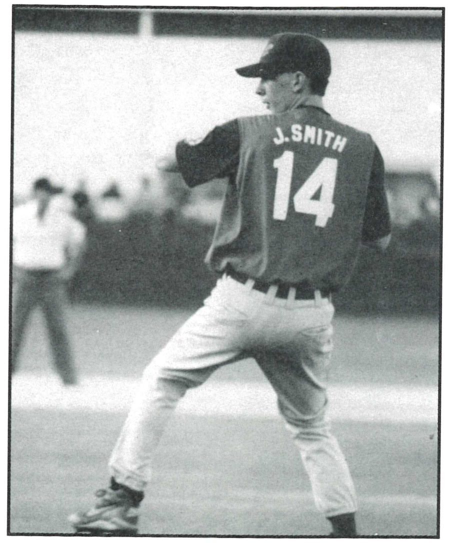
Smith and Williams Selected to Babe Ruth World Series League



Juniors, Jimmy Smith (top) and Jesse Williams (right) were selected to play on the Gulf Coast team of the 1996 16-year-old Babe Ruth World Series. The team won third place in the tournament. Baseball scouts from all over the country were watching intently as the best of the best teenaged baseball players battled to the end.

Alums Return As Honorary Captains

During home football games this year, Honorary Alumni Captains will return to the field for more glory. These captains are Pat Kergosien '82, J.E. Loiacano '60, Ron Genin '68, Pete Taylor '39, Joe Gex '82, and Scott Senner '80.

J.E. Loiacano '60 (center) is pictured with Greg Niolet, (left) president of the Gridiron Club, and head football coach Mario Genna, before the Green County game which SSC won 12 to 6.

Dane, Peneguy, & Taylor are the Sears Cup National Youth Champs

John Dane '96, Oliver Peneguy '96, and freshmen David Taylor won the Sears Cup National Youth Championship for triple-handed competition at the Hyannis, Massachusetts Yacht Club in August. They were named 7th U.S. Sailing/Rolex Junior Team. They beat nine other teams and finished with 28.25 points.

This year is the third year in a row that Dane has competed for the Sears Cup which was also won by his father, John Dane III in 1967. In 1994, John earned the bronze medal, and in 1995, he took home the silver.

The annual regatta was organized by U.S. Sailing and sponsored by Rolex Watch U.S.A. for juniors ages 13 to 18. The three young adults were named to the U.S. Sailing/Rolex Junior Team, an annual designation reserved for junior sailing's most elite athletes. Top finishers and sportsmanship award winners at four national qualifying junior championships make up the 18-to-25-member teams.

Another member of the class of '96, Alan Uram, finished second in the Smythe Trope competition, the national youth championship in single-handed competition. He had 30.75 points, three behind the champion.

This year's sailing team came in fourth place at the National Mallory Regatta, held at the U.S. Naval Academy in May. Twenty teams competed for the Mallory trophy double-handed championship.

Cannon, Swanson Save All-Star Game

Brad Cannon '96, and Casey Swanson '96, who fueled SSC's surge to the ClassII State Soccer Championship last year, had some big plays in the South's 3-0 victory in the 14th Annual Mississippi High School All-Star Game. Cannon, who led SSC with 38 goals during the season, and Swanson both scored goals as the South extended its lead in the series to 6-1-5. The North squad has been shut out in three of the last four games.

Gex Coaches SSC Swimming Team

This year's swim team looks promising to Coach Joe Gex '88, who is looking to seniors Tommy Minniece and Todd Pederson to provide leadership. David Harrison, Nathan Canon and Matt Echezebal are all promising prospects this year.

The team received a boost when it acquired Robert Richmond. He swam in the AAU Junior Olympics in New Orleans this summer.

Three of this year's swim meets will be at home and five will be away, including against Harrison Central, September 11, Biloxi, September 18 and Ocean Springs, September 25. The away meets will be at Biloxi on October 19, Gulfport High on October 23 and the State Championship at Biloxi on October 26.

Basketball Summer Camp Report

During the summer, the players worked hard in the weight room. The Rocks also competed in the Coca-Cola Summer League hosted by Gulfport High School. Players attended basketball camps throughout the United States including the Gulf Coast School of Basketball held each year at SSC.

Varsity Cheerleaders Win Awards During UCA Cheerleading Camp

The Varsity Chereleaders won awards this summer during the UCA Cheerleading Camp at the Mississippi Gulf Coast Community College at Perkinston.

The Stanislaus cheerleaders won the first place trophy for Best Varsity Squad Overall. For their "pom" dance, the SSC cheerleaders won third place. They also won a Spirit Stick every day of the camp and earned all "superior" ribbons in evaluations and competitions for dances, cheers and sidelines which were taught at camp.

SSC Varsity Cheerleaders are (l to r) U'Nita Twiggs, Emily Alford, Elizabeth Byrne, Julie Dreher, Jessica Strickland, Maria Joyner, Emily Pela, and Greg Gordy, James Wadsworth, Whitney Johns, Nathan Russo, Geoff Williams, and Mrs. Pat Cousins, moderator.

Blaize's Trophies Now In Archives

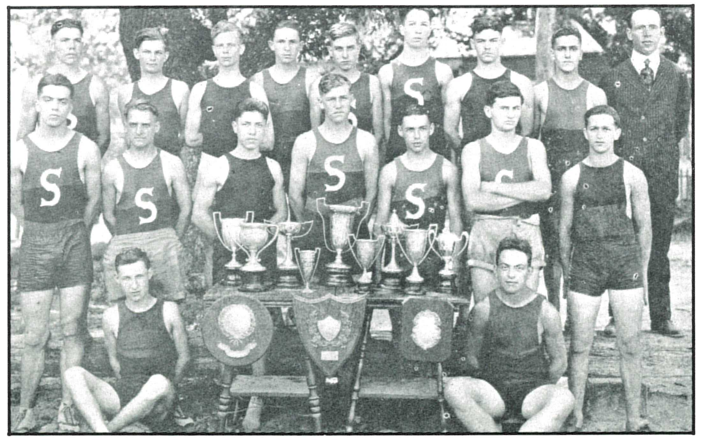
By Ray Sheehy '48

Recently, Mrs. Victor Blaize visited the campus and returned two cups that were awarded to her husband, Victor Blaize, class of 1918. "Buddy" Blaize won the cups as the Gulf Coast distant runner in 1918 and 1919. Both of the cups will be a permanent part of the archives. They are just some of the over 1300 items that are now registered and stored in the St. Stanislaus Archives. A data base has been established to facilitate research.

Weekly items are donated by alumni and families of alumni. The room set aside for the Archives is quickly becoming a good research center. As an alumnus, each of you is encouraged to donate items to supplement the Archives which stores letters from students (earliest dated 1854), student papers, accomplishments, sports award items, jackets, and jerseys. In fact, your store room is the place to start. Look in those old shoe boxes, cigar boxes, trunks — wherever you put those special things from the past. Let the SSC Archives store them permanently with care and preservation techniques of a proper archives.

The next time you are in the area, drop in and visit the Archives Room. It is located at the north end of the Hall of Fame. Most of all, come visit the school and see the modern St. Stanislaus College Prep. Archival memorabilia is on display in the case in the hallway joining the Mall with the Hall of Fame. This display is changed each Friday. Join us for Homecoming and see the display.

Plan to attend the annual reunion in February 1997 and come a day or two early to see the Archives. Ray Sheehy, class of 1948, is managing the Archives. Additional volunteer help is needed; please call the school to volunteer.



Victor (Buddy) Blaize '18, seated left, won the tall center trophy which his widow, Mrs. Leone Blaize of New Orleans, recently donated to the Archives. The other members of the track team were Milton Phillips, captain; Robert Stulb, William Stack, Oliver Dabezies, Nicholas Lala, Paul Maestri, Gordon Reddy, Fritz Schutt, Bernard Beaulieu, Coty Rosenblath, Emmett Kergosien, Frank Sunseri, Kenneth Moise, Pierro Roy and J. Stone Ware with Foster Commagere (top right), coach.

Highlights of Faculty's Summer

Br. Adrian Gaudin, SC, spent the second week of July teaching a week-long course in Catholic School Administration to graduate students at the University of Dallas, Texas. The course was part of a three-week intensive graduate program for teachers interested in applying for administrative roles in the Catholic schools of the Dallas diocese.

Mr. Michael Fabian

Mr. Michael Fabian attended the Institute for Spiritual Growth at Boston College in Chestnut Hill, Massachusetts. The institute, now in its fourth year, brings educators from across America together to discuss problems facing young people today. Mr. Fabian was one of 24 Catholic educators from across the country chosen for the 1996 session. Robert Coles, noted child psychiatrist and author of *The Spiritual Life of Children,* was the main presenter at the institute. Topics discussed during the session included hypocrisy in ministry, resilience factors of at-risk children and raising expectations in educational settings.

Mr. Leonard M. Foley III, prefect during the 1995-96 school year, is the author of two books, *I'm Insane—You're Insane; An Impractical Guide to Living Sanely in an Insane World* and *If God Is Dead, Why Do I Feel So Alive?; Spiritual Reflections of an Atheist's Journey Back To Life.*

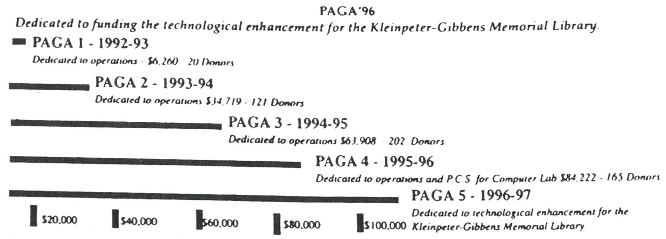
Brother Chris Sweeney, SC, attended the University of San Francisco's Institute for Catholic Educational Leadership for the third summer.

Brothers Seek Renewal In France

During the first two weeks in July, Brothers from SSC went to Lyons, France, the orders' place of origin. Br. Ronald Hingle returned as a member of the staff for the program while Br. Pierre St. Pierre prayed, studied and toured according to the renewal program sponsored by the Andre' Coindre International Center which is located in the original house of Fr. Andre' Coindre, founder of the Brothers of the Sacred Heart.

Annual Alumni Appeal AAA '96

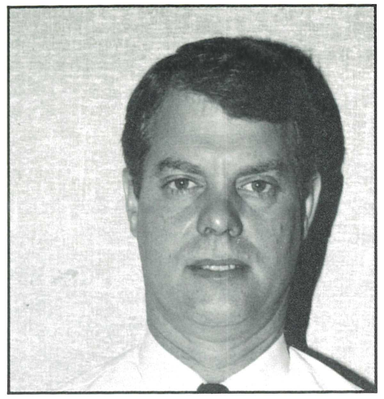
The Annual Alumni Appeal (AAA '96) is dedicated to funding the construction of a covered walkway from the main school building to the Dining Hall.



An anonymous alumnus along with 738 other alumni contributed to funding the cost of the Beach Boulevard overpass and pier.

Mr. Thomas Cummings has entered his three-year Master of Divinity at the University of Notre Dame. He is working in the dormitories as assistant rector.

Mr. Cummings was a prefect and taught religion at SSC from 1994 to 1996.



◄ *Mr. Vernon LaCour*

Mr. Vernon LaCour received his Masters of Arts in the Teaching of Language. For final degree requirements, he spent the month of June in San Jose, Costa Rica, attending the Forester Institute.

Currently, Mr. LaCour teaches French I, II, and III.

This past summer **Mr. William Jennings,** computer science instructor, worked for the Center for Science and Engineering Education (CSEE) at Lawrence Berkeley Laboratories, University of California, Berkeley, California. Mr. Jennings worked on the Internet web site for ELSI (Ethical, Legal and Social Issues in Science), most particularly on the web site for sustainable development. In addition, Mr. Jennings has been involved in an ongoing survey and study for the Department of Energy, Lawrence Livermore Laboratories for the past two years.

After leading a two week student tour of England, France, and Scotland, Mr. Jennings returned home to begin his twentieth year at St. Stanislaus.

Also, he has been appointed to the National Advisory Committee for the American Council for International Studies for 1997.

Founder's Society

Br. Donnan, SC, president of SSC, and the Board of Directors of SSC announce the charter year of the Founders Society.

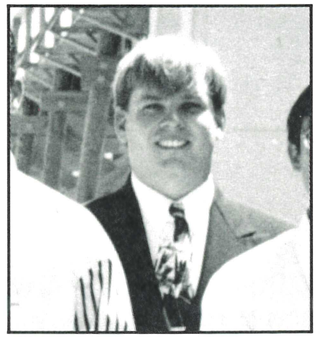
Members of the Founders Society set the pace for meaningful annual support by contributing at least $1,000 a year to any of SSC's programs.

The Founders Society provides members the satisfaction of providing leadership support that keeps SSC in the forefront of Catholic secondary education.

Other benefits include closer association with the President and administration of the school through participation in the President's Council, complimentary invitations to the annual Hall of Fame and Founders Banquet, a special recognition plaque, and recognition in the annual report.

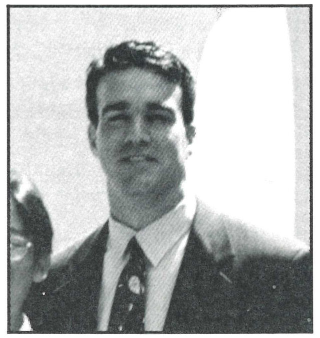
Richmond, Rief, Sweeney In Dorms

Three men assume duties as the newest members of the residency staff.



Mr. Matt Richmond '90 Mr. Richmond is a Gulf Coast native and St. Stanislaus alumnus. He has worked as a camp counselor for the past ten years. He is an assistant prefect in Dorm A with sixth and seventh graders.

Mr. Jason Rief Mr. Rief is a native of Axtell, Nebraska. He attended Wayne State College and the University of Nebraska in Lincoln where he earned a degree in business education. Mr. Rief spent the past year as a member of the Volunteer Service Community of the Brothers of the Sacred Heart, New England Province. He served at Mt. St. Charles in Woonsocket, Rhode Island. He is working as an assistant prefect with both Mr. Kenney and Brother Eduardo, SC.



Mr. Craig Sweeney '89 Mr. Sweeney is one semester away from earning a bachelor's degree from LSU. While a student at St. Stanislaus, he was a resident student in the same section where he now serves as assistant prefect, Section C with juniors and seniors. Mr. Sweeney also served as a camp counselor in 1987.

Key Club Honored By Kiwanians

SSC's Key Club was recognized by the Kiwanis Club of Gulfport as the Club of the Month for August/September. The club was honored because all monthly reports were submitted, the club is well organized, and the club helped put on the Regional Rally.

An Educator, Not A Policeman

By Kathy O'Brien

Brother Ronald Hingle, SC, is replacing a legend. But in doing so, he is keeping the same progressive discipline for which St. Stanislaus is known.

Brother Hingle has replaced Brother Joseph as SSC's disciplinarian. And what does Brother Hingle have to say about his predecessor, Brother Joseph? "The man is a legend. With each passing day, my respect for what he did grows immensely," he said. "I hope I can have as profound an influence on young men's lives as he has."

So far Brother Hingle is off to a good start. He has started a new student orientation program and has revised the handbook.

"Our goal is to help young men accept responsibility for their behavior," Brother Hingle said. "We want them to realize what it means to be a man of character."

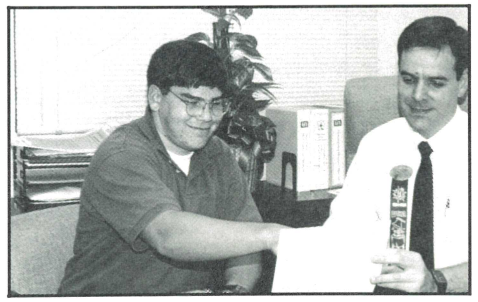
Brother Hingle isn't new to discipline. He was the assistant principal for discipline at Catholic High School in Baton Rouge for two years and was the principal of a Catholic school in Montgomery, Alabama, for four years. Brother Hingle also taught math at Brother Martin High School in New Orleans for four years and served as the math department chairman for the last two he was there.

Immediately prior to coming to SSC, he served as the Vocation Director for the Brothers of the Sacred Heart, New Orleans Province. His duties were to travel and visit with college-aged young men to give vocational guidance and retreats.

Having been a brother for 17 years, Brother Hingle prefers to handle disciplinary concerns quietly and without drawing too much attention.

"I don't see my job as a policeman, but as someone who holds children accountable to the behavior that they have agreed to exhibit here at school," Brother Hingle said, "We try to challenge inappropriate behavior and help students realize they can make better choices."

Brother Hingle graduated from Loyola University in New Orleans with a bachelor's degree in math education. He also has a master's degree in educational administration from Boston College in Boston, Massachusetts, from the Catholic School Leadership Program.



Todd Schultz, a junior from Mandeville, Louisiana, enjoys a one-on-one conference with Br. Ronald Hingle.

Banden Named 1997 Merit Scholar

Timothy Banden, a senior at SSC, has been named one of 15,000 semifinalists in the 42nd annual National Merit Scholarship Program.

Joey Niolet and Jason Worrel, both seniors, have also been named Commended Students in the program.

Alumni Help Riche' With Recruiting

By Todd Riche', Director of Recruiting

The goal of the recruiting efforts at St. Stanislaus College Prep is to have young men excited about the opportunities that St. Stanislaus can provide...boys who strive to become well-rounded men of character...boys who want a new start in a comfortable environment on the Coast, willing to put forth effort toward self-improvement through structure and discipline.

In order to realize this goal, recruitment efforts of St. Stanislaus have been geared both in the national and international arenas. Knowing the rapid pace of globalization and understanding the opportunities this affords, St. Stanislaus has increased its efforts to meet these modern challenges. On the national level, recruiting efforts have been primarily focused in the Southeastern states. Open houses, camp fairs, *Discovery Days* on campus, personal visitations, and presentations to clergy, school administrators, and educational consultants have been conducted throughout Alabama, Florida, Georgia, Louisiana, Mississippi, and Texas. At present, we have 235 resident students representing 11 states, complementing our 350 day students from around the Coast. Students seem to find out about St. Stanislaus far and wide from the internet to the "Morning Advocate," from Alaska to Nigeria, keeping our admissions office busy.

On the international level, recruitment efforts are moving rapidly. A trip was made in the Spring to Asia with The American Educational Opportunities program carrying the benefits of a St. Stanislaus education to Hong Kong, Indonesia, Malaysia, Singapore, Taiwan, and Thailand. Many contacts have been made and the inquires continue to come to the admissions office seeking information about SSC's state champion soccer team, its nationally recognized sailing program, and its ESL program (English as a Second Language). More recently, in August, a trip was made to Mexico and Central America, including Costa Rica and Guatemala. The purpose being to rejuvenate alumni relations and to recruit potential students for St. Stanislaus. Stanislaus has seen exemplary returns from both of these trips and expects far more positives in the future. At present, we have 27 international resident students from 8 countries. The next stop on the international docket is the Kingdom of Saudi Arabia to make the fall tour through the international school system from Jeddah to R'as Tannurah.

From a recruiting standpoint, alumni and parents are key for referrals. As trends are analyzed, one thing remains constant — the reputation and admiration of the *School of Character.* Work is constant to preserve this tradition and continue improving and offering more opportunities to enrich the learning experience here at St. Stanislaus. Thanks for your help and confidence.

Special thanks to Ray Sheehy '48, of Diamondhead, MS, for his work contacting alumni in Costa Rica. Also thanks to Fernando Betanzos, Jr. '80, in Cancun, Paul Wever '65, in Guatemala; Jose Castro '33, and Fred Sheehy '36, in Costa Rica; and Louis Montemayor '57, in Monterrey, for their help in making the recent Central America tour a success.

Jose M. Castro '33 stands next to his grandfather's memorial statue in downtown San Jose, Coasta Rica. Mr. Castro's grandfather was the first president of Costa Rica who was a hero not only as a revolutionary leader, but also as an educational leader.

Parents' Donations Buy Computers

Br. Ronald Talbot, SC, principal, accepted a check for $60,000 from Pat Modenbach, president of the SSC Progression Corporation, for new computers for the computer lab. A $25,000 gift by Mr. and Mrs. Dan Mortimer to last year's Parents Annual Giving Appeal (PAGA 4) combined with the gifts of other parents made this gift possible.

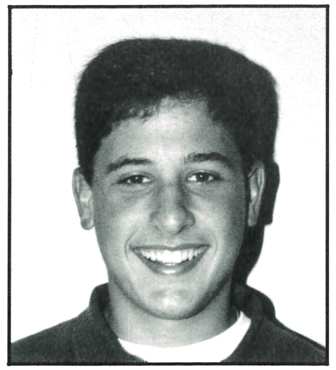
Chiniche Named To Search Team



Jason Chiniche

Jason Chiniche, a senior, was selected as a member of the diocesan 1996-97 SEARCH team.

Search is a weekend "retreat type" peer ministry for teens. The 15 Search Team members and their adult advisors lead high school juniors and seniors through a weekend of sharing and prayer.

Fr. Lee Bosarge, associate pastor at Our Lady of the Gulf Church joined the team as spiritual director this year.

WLOX-TV Celebrated St. Stanislaus

WLOX-TV South Mississippi's Channel 13 included St. Stanislaus in its "Celebrate Mississippi" tour this summer. The program focused on all the good things in Mississippi coming to St. Stanislaus to feature Hancock County.

And The Survey Says . . .

By Kathy O'Brien

Feeding children in any cafeteria is a difficult task, but sustaining growing boys is an even tougher chore. Just ask Mrs. Faye Knight.

Faye Knight & Br. Pierre

Mrs. Knight has become the first female food service director and the first lay person at SSC to hold that title. She is handling the job with grace and is even instituting some new dishes and programs for the students.

Mrs. Knight replaces Brother Pierre St. Pierre who held the position for almost 20 years. Mrs. Knight worked as his assistant for 8 of those years.

Last year, Mrs. Knight surveyed the students to try to find out their likes and dislikes and to get suggestions. One of the hottest suggestions was a soup and salad bar, which the cafeteria began offering this fall.

Some of the suggestions, however, weren't practical. Steak, lobster, caviar, oysters, sushi, and crawfish are some of the suggestions that are not being considered. The soup and salad bar and the new milk and ice cream stand have become popular. Many students are ordering plate lunches and the soup and salad bar, according to Mrs. Knight. "These boys are so hungry, a plate lunch isn't enough," Mrs. Knight said.

Mrs. Knight says it's a "guessing game" to figure out how much food they're going to need for one meal. For a chicken dinner, they often prepare 160 to 180 pounds of chicken and for lunch, about 350 pounds of chicken.

Mrs. Knight and Mrs. Genna, assistant director, are also trying to fix healthier meals which students, many of whom are watching their weight, appreciate. "We're working with a dietitian at Hancock Medical Center. We're always on the lookout for more suggestions and more recipes," said Mrs. Knight.

In addition to Mrs. Genna, Geri Richardson works in the food services area, and they have the help of three volunteer parents: Barbara Carter, Janet Foster and Kathy Thompson. Mrs. Knight is looking for additional volunteers to help to sell the milk and ice cream and work with the computers to tally up sales.

DONATIONS

Benefactors Help With Planned Gifts: Endowment and Insurance

- Mr. Price Crane has established a fully funded endowed scholarship.
- Parents donated a $100,000 life insurance policy dedicated to the General Endowment Fund by insuring their son who is a senior. They wish anonymity, but they said during a recent interview, "By insuring our son, we have supported SSC with a gift greater than we could hope to give through any other means. By dedicating it to the General Endowment, the interest will be available for future needs."

Gifts: From 1856-Letter To Lights

- Mr. and Mrs. Fred Cherota donated an 1856 letter written and signed by Jefferson Davis as Secretary of War.
- Monti Electric donated 4 fluorescent lights for the Field House.
- The SSC Alumni Association bought several banners for display on the Beach Boulevard overpass. (See back page.)
- Consideration on production of the banners given by Infinity Graphics in Bay St. Louis.
- Consideration on photography work given by Gulf Coast Photo Center in Bay St. Louis.
- Frank Legarde '66, provided legal work.
- Jay Rousseau '78, provided financial analysis.

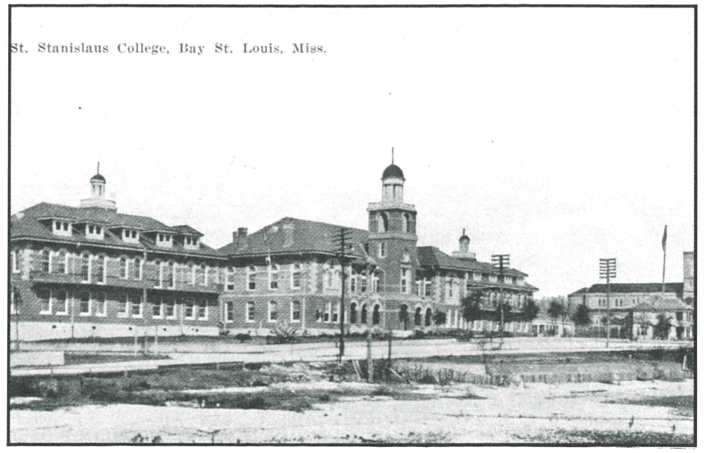
Varied Donations For SSC Archives

- Br. Loyola Mattingly, SC, donated pocket watches formerly worn by Br. Cyril Gyori, SC (1898-1945) and Br. Florent Tavice, SC (1874-1959). These watches were gifts from SSC students.
- Br. Noel Lemmon, SC, donated an oil painting of Br. Aurelian's former cottage.
- Joe Arbor '42, donated a brick from the old school and a 1942 commencement invitation.
- James Ware '26, donated SSC's Diamond Jubilee (1854-1929) Catalog and the 1931 School Catalog.
- Joseph Moise donated SSC memorabilia of Kenneth Moise '19, his father. Donated were Kenneth's 1919 Valedictory speech, the 1919 commencement program, medals for pole vaulting, and various photographs of the era.



James Currie donated 5 postcards from the 1940's featuring SSC (pictured above), St. Joseph's Academy, and Our Lady of the Gulf Church (pictured above).

ant mineral elements, potash and phosphorous, in the form of commercial fertilizers. Some commercial fertilizer materials are of organic origin, but the bulk of them are derived from the mineral kingdom, such as nitrate of soda made from Chilian caliche, acid phosphate manufactured from phosphate rock, and soluble salts which are only ground up and used as such, or first converted into more concentrated products.

The only commercially important source of water soluble potash salts, the only form in which potash can be utilized by plants are the German potash mines. The annual output of these mines has now reached the tremendous figure of about 10,000,000 tons of crude salts, 90 per cent of which are used in agriculture for increasing the acre yields of all crops. The output of all the mines is sold through the German Potash Syndicate. This firm not only maintains offices all over the world, but has established for the benefit of the planter and farmer, about sixty agricultural bureaus in all parts of the globe which furnish free information on agricultural and fertilizer questions, and which carry on a large amount of experimental work done on the plantations proper to demonstrate in the field itself what high profits can be obtained by using commercial fertilizers in general, and potash in particular.

In Germany: Mining Potash Salts.

Where Is Brother? He Was My Prefect For Four Years! Does He Live At SSC?

Many alumni have inquired about the whereabouts of Brothers whom they knew. The list of the Brothers in residence at SSC is included in this newsletter for your information. Eighteen Brothers are active either partially or full-time in the daily school operation, and ten Brothers are retired. When retiring from full-time active service, many Brothers choose the Bay St. Louis community. On any given day after school, you can see the youngest sixth grader on his roller blades gliding swiftly by Brother Aubert negotiating his own path in his electric wheelchair to the fishing pier.

For those of you who want to write to a particular Brother address your mail sending it to:

Planned Gifts To SSC 5

Principal's Letter 6

SSC Progression Corporation 6

This special edition of the newsletter is dedicated to Mr. James A. Ware '26 to thank him for establishing SSC's first charitable remainder annuity trust.

Sincerest appreciation is also extended to the many other alumni and friends of SSC who have generously and thoughtfully planned for the future well-being of the students of SSC.

Ware '26 Establishes $378,000 Trust At SSC

AMETVR
COR
JESV

Mr. James A. Ware '26 on May 31, 1996, established The James A. Ware Charitable Remainder Annuity Trust valued at $378,640. Br. Donnan Berry SC, President of SSC, thanked Mr. Ware on behalf of the students, the Board of Directors, and the faculty. Br. Paul Montero, SC, Provincial of the Brothers of the New Orleans Province and past President of SSC, said, "Mr. Ware's generous gift is not only a significant contribution to the continuing mission of the Brothers of the Sacred Heart, but it is also a clear statement by Mr. Ware of his belief in and commitment to our mission. For both of those realities we Brothers are deeply grateful."

ENDOWED SCHOLARSHIPS AT SSC

What Is An Endowed Scholarship?

An *endowed scholarship* for SSC is a donated amount the principal of which funds, through interest earned, tuition assistance at SSC. A scholarship at SSC is considered fully endowed when the donated amount reaches $30,000. The scholarships (tuition assistance) can then be awarded because $30,000 can realistically support disbursements from interest.

Endowed scholarships are permanent and perpetual because only the earned income (interest) will be used each year for tuition assistance.

Your gift to support the endowed scholarship fund gives the gift of education. By giving to an endowment fund you (1) pass on the gift of education to a new generation, (2) establish a lasting and perpetual tribute to family or loved ones, (3) make a permanent gift that keeps on giving, (4) hold down the cost of tuition, and (5) receive tax deductions for your charitable gift.

In the 1995-96 school year $109,000 was given for tuition assistance benefiting 69 students. Yearly the demands for tuition assistance far exceed the available funds. The following pages detail the generosity of SSC's alumni and friends who have established endowed scholarships. Many students have attended SSC because of their planning. Your gifts would help the principal of these endowments grow even larger.

Scholarships Established At SSC

The Ware Endowed Scholarship

The James A. Ware Endowed Scholarship, will be funded from the James A. Ware Charitable Remainder Annuity Trust when the annuity from the trust is no longer needed. Mr. Ware's expressed desire is that the trust fund tuition assistance for needy students. Mr. Ware's wish furthers the mission of the Brothers of the Sacred Heart at SSC: that St. Stanislaus should be accessible to young men from varied backgrounds.

Mr. Ware was born to John Stone Ware and Carmelite Gourrier on June 14, 1906, and he celebrated his 90th birthday this year. He lived his early life in White Castle, Louisiana, at the family's plantation home, *Belle Grove* .

Brother Peter visited the Ware family, recruiting to SSC James and his brothers, Tom '19, Stone '19, and Alfred '27. James graduated from SSC in 1926 with a degree in business. He returned to the plantation until he entered the Marine Corps in the late 1920s.

After the war, James' first job was with United Food Company of New Orleans at Port Becara. He later became a salesman, working for Southern Radio Supply Company in New Orleans until he retired in 1976.

Mr. Ware is close to his niece Penny Raacke, who affectionately calls him "Uncle Red." Penny's father Eugene Lyons, graduated from SSC in 1931.

At his 90th birthday party James Ware '26 is pictured *(2nd from right) with Br. Pierre St. Pierre, SC (l), Mr. Ware's niece , Penny Raacke, and Brother Ramon Daunis, SC '47.*

William and Peyton Waters Helped To Found Program

William and Peyton Waters both of the Class of 1944 were major donors and promoters of the SSC Progression Corporation in the 1970's when this fund was in its infancy. Br. Aquin Gauthier, SC, then the Development Director, was working with alumni and friends to strengthen the endowed fund for tuition assistance because he knew that "the mission of the Brothers is most readily visible through an education made available to many students."

William and Peyton both desired to support the tuition assistance program (then called Student Aid) so young men could be given the opportunity to attend SSC. "Br. Peter allowed us a reduced tuition all the years we attended SSC, so we have always wanted to repay this gift and to help other families who could not otherwise afford the tuition," said Peyton during a recent conversation.

The Henry F. Bonura, Jr. Memorial Awards for Camp

In 1994, Mr. and Mrs. Henry F. Bonura Sr. established The Henry F. Bonura, Jr. Memorial Awards in memory of their son, Henry, Jr., who attended Camp Stanislaus from 1955 to 1958 receiving "The Outstanding Camper Award." This endowment for Camp Stanislaus funds the annual awards given to the campers at the closing ceremonies. The Bonuras desired to perpetuate their son's memory by honoring the leaders from camp. The commentary on the dedicatory plaque reads, "His strength of character, dedication to family and to society, and his service to others make him a role model for all young people."

ENDOWED SCHOLARSHIPS AT SSC

Kents' Endowed Fund

In May 1992, Mr. and Mrs. John M. Kent, Sr. and Mr. and Mrs. John M. Kent, Jr. began annual payments of $50,000 toward fulfillment of their $500,000 pledge for the Endowment for Excellence Campaign. Their gift was the largest for this campaign. The Kent family requested of Br. Aquin Gauthier, SC, then Development Director, and Br. Paul Montero, SC, then President, that the interest of the endowment "be dedicated primarily to assist academically talented young men from St. Mary Parish who wish to attend SSC but may not have the resources to pay the full tuition."

The Jack Kent's have been interested in the students of SSC since Jack, Jr. was enrolled. Jack, Sr. founded Marine Shale Processors, Inc. (MSP) in 1984. MSP made the "INC 500" list of America's fastest growing private companies for two consecutive years; was honored as one of 200 designees in the National Blue Chip Enterprise Initiative; and in 1993 received the Manufacturing Entrepreneur of the Year award for the Louisiana-Texas Region.

MSP Vice-president Jack Kent, Jr. '83 is a member of the executive management team of MSP. Jack Jr. presently serves as a member of the board of the SSC Progression Corporation which manages the funds raised for St. Stanislaus. Jack was valedictorian of his 1983 class at SSC and graduated *cum laude* from Louisiana State University. In 1987 he joined MSP with his father.

Numerous SSC benefactors have made memorial contributions dedicated to tuition assistance. These gifts and other donations for tuition assistance have been added to that endowment fund thus honoring the wishes of these donors.

Evans Endowed Scholarship

The Hugh McCloskey-Evans Endowed Scholarship was established by Mr. Evans in the 1980s through gifts of stock given throughout his life and a bequest from his estate.

Cue Endowed Scholarship

The Cue Endowed Scholarship was funded by gifts during Mr. Emilio Cue's life and by a sizeable bequest from the estate of his sister Mrs. Rita Cue Johnson given in the 1980s.

Endowed Scholarships Soon To Be Awarded

Br. Romuald Scholarship Fund

The Br. Romuald Endowed Scholarship Fund will be funded in 1997 when Mr. Jules (Menou) Arceneaux '43 completes his pledge to establish this endowment. Mr. Andre Arceneaux '52 has also contributed to this fund.

Because Menou and Andre are most anxious to honor Br. Romuald, their music teacher, Br. Donnan and the Board of Directors of the SSC Progression Corporation approved the announcement of their intentions in this special edition of the newsletter.

You are invited to contribute to this endowed scholarship with the Arceneaux's honoring the contribution that Br. Romuald made to SSC.

The SSC Band Hall was dedicated in 1974 in honor of Br. Romuald (1897-1972). The plaque of dedication reads, "This band hall is fittingly memorialized to Brother Romuald-a man whose name was synonymous with excellence in music. During his twenty-five years at SSC, he turned his music students into accomplished musicians. It was during his time as band director that SSC won state and national acclaim for its music ability. Humility stood out in the life of Br. Romuald, with no task being too menial for him. In the face of all of his successes in the field of music, Br. Romuald continually admonished his students to accept success with humility." In 1972 Brother returned to SSC for the last time to see Norbert Carnovale '50, one of his former students, inducted into the SSC Hall of Fame. During that visit many former band students attended a special reception held in Brother's honor.

Br. Bennet Scholarship Fund

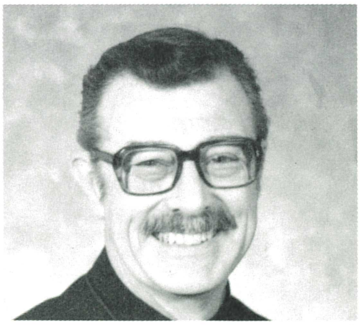
The endowed scholarship to honor Br. Bennet is also an unawarded scholarship.

Mr. Steve Treutel '78 stepped forward with a donation to begin funding an endowment honoring Br. Bennet. Steve said, "Br. Bennet's gift was to build the confidence of boys who were not yet leaders, so that these boys could be leaders."

The endowment has not been awarded because the principal cannot yet support disbursements from interest.

You may contribute by specifying your gift for the Br. Bennet Endowed Scholarship Fund.

Br. Bennet's family has established a separate fund in his honor for the Brothers of the Sacred Heart through the Vocation Development Fund.



Br. Bennet (1931-1994), taught at SSC from 1969-1987. While at SSC, he founded and was the first president of the American Drug Free Powerlifting Association which now has over 6,000 members. Brother influenced many students through his involvement with weightlifting and powerlifting. He was remembered for being a demanding English and religion teacher, for being profoundly patriotic, and for building character.

A GLOSSARY OF PLANNED GIVING

Bequests

The most common and simplest form of planned giving is a *bequest.* A bequest is a gift of assets that is made through a donor's will. Such a gift can take the form of cash, stocks, bonds, real estate, automobiles, jewelry, or any other type of asset.

One popular kind of bequest is a *specific bequest* designating that a specific amount be transferred to SSC for either general or specific use.

All such bequests are deductible for federal estate tax purposes often making possible a larger gift at lower cost.

The most common method of charitable bequest is a *residual clause.* This clause will provide for relatives and friends first, then will distribute the remaining assets to SSC.

Charitable Remainder Trust

Two basic types of charitable remainder trusts qualify for federal tax benefits. In both arrangements, you give stock, cash, or other assets to a trust. You are allowed to claim a tax deduction for the estimated portion of the assets that will ultimately go to SSC. When the you die, SSC keeps all remaining assets.

The two types of remainder trusts are *Annuity Trusts* and *Unitrusts*.

Annuity Trusts allow you, the donor, to retain an income interest in the form of an annuity for either your lifetime or a specified length of time.

Unitrusts are identical to annuity trusts except (1) you can receive additional contributions, (2) assets are revalued yearly, and (3) payments to beneficiaries may vary depending on the value of the assets.

You may find these charitable remainder trust methods a way of preparing for retirement yet giving to SSC.

Charitable Lead Trust

SSC could receive income from your assets for a specified time, after which the assets are transferred back to you or to your heirs.

A *Lead Trust* could reduce gift and estate taxes or provide a charitable deduction for the donor.

Gift Annuity

You give cash, securities or other assets to SSC in exchange for a guaranteed retirement income. A *Gift Annuity* pays you the donor, a guaranteed income for life with no investment worries or responsibilities. You receive an attractive rate of return and have the pleasure of making a meaningful charitable gift.

A portion of your annuity payment is tax-free throughout your life expectancy. You can avoid capital gains tax through this avenue of giving.

Pooled Income

You give cash, securities, or other assets to SSC, which then invests those assets in its large diversified portfolio. Annuities are paid yearly for the rest of your life expectancy, then the gift becomes the property of SSC.

You will be able to avoid a capital gains tax plus realize a sizable charitable deduction on Federal taxes.

Life Insurance

Life Insurance gifts are unique and appealing in many ways (1) they are immediate, (2) complete, (3) easy to make, (4) thoughtful to heirs, (5) discreet, (6) economical, (7) convenient, and (8) flexible.

You make SSC the beneficiary of your insurance policies.

Retirement Plans

Most everyone thinks that qualified retirement plans (employer-sponsored pension and profit-sharing plans, IRAs, Keogh plans and the like) are tax-sheltered havens. They're right: contributions and earnings build explosively during a participant's life because they're tax free within the plan. Unfortunately the tax laws reserve consequences for plan accumulations that have not been drawn down before death.

If you and your dependents do not use the funds, naming SSC to receive what remains in your retirement plans is simple to do and may be advantageous for your tax planning.

PLANNED GIFTS TO SSC

What Is Planned Giving?

Planned giving is the action taken by you, the donor, to plan the allocation of your assets for charitable purposes. Some planned gifts are relatively easy to effect while others may require detailed tax and legal counsel.

We recognize alumni and friends who planned donations of certain assets during their lives and/or who planned donations from their estates. The clarity of purpose of these people is evidenced through their careful planning. For them we are most thankful.

May these benefactors be inspirations to us all.

The SSC Progression Corporation's Board of Directors is the final authority for authorizing acceptance of gifts.

Planned Giving For SSC

Bequests A Favorite Planning Gift For Many SSC Friends

Throughout SSC's history, large and small bequests have through a unity of intent, built funded campus buildings and the corpus of the SSC Progression Corporation valued June 30, 1995 at $5,337,678.

Thankfully we remember again the bequests received: Henry Bonura '27, Rita Cue Johnson, Perry Davis, Edmond L. Deramee '21, Charles F. Engle 1893, Hugh M. Evans, Dr. John J. Irwin '12, Joseph L. Killeen '44, Jean B. Lescale '12, Corinne Nuguent, and F. Srpague Pugh '25.

Thirty other alumni and friends have notified the development office that SSC is remembered in their estate planning. These thoughtful benefactors dramatically assure that the mission of the Brothers of the Sacred Heart will be visible in Bay St. Louis for many years to come.

Tighes' Insurance Gift Fulfilled Their Dreams For Giving

In 1994 Donald Tighe '77, Martin Tighe '79, Frank Tighe '80 and John Tighe '83 remembered their brother Robert Tighe through a life insurance gift of $250,000. Br. Paul Montero, then President of SSC, accepted this generous and farsighted gift from the Tighe brothers.

"We all believe strongly that the greatest influence in our lives, with the exception of our parents, were the Brothers of the Sacred Heart and the people at St. Stanislaus," said Marty when donating the gift. Marty explained that by naming SSC as the beneficiary of the policy they knew that they would someday give a gift far greater than any one of them alone could realize.

Life Insurance Donations

Life insurance gifts are a favorite means of planned giving because they are relatively easy to effect. SSC is named the beneficiary and if necessary the donor makes a yearly cash donation equal to the premium thus receiving a tax deduction.

Several other alumni and friends who wish anonymity have informed SSC that it has been named the beneficiary of their life insurance policies. The Brothers, faculty and especially the students are most grateful for these planned gifts.

Gifts of Securities and Property Have Helped Build SSC

Over the years many alumni, parents, and friends have given securities and property to SSC. In fact in the 1960's and 1970's the Progression Program, now the SSC Progression Corporation, was begun by alumni and friends yearly donating such gifts. Notably, in the 1970's the Kleinpeter family funded the Kleinpeter-Gibbens Memorial Library through gifts from the family.

A separate corporation at SSC manages property donations which produce revenue. This corporation, was named The Delaware Corporation, because at the time of incorporation, SSC owned a large piece of rental property on a street named Delaware.

Presently the SSC Progression Corporation owns property. The board is anxious to sell one of these which is a time-shared condominium in Cancun, valued at $6,900. Reasonable offers will be entertained.

One of Smith's '45 Planned Gifts Limited Partnerships

Mr. James E. Smith '45 recently donated limited partnerships to SSC. This gift is an example of planned giving. In general, limited partnerships do not have immediate cash value. SSC is able to accept these placing them in the general portfolio waiting for a favorable redemption. This latest donation of limited partnerships by the Smiths, generous benefactors of SSC, may provide ideas for possible donations from other friends of SSC.

Using SSC's longevity as a forecast of its future perseverance, such investment gifts can bolster possible future plans for building and growth.

We have explained only a few of the ways to make charitable contributions through planned giving. If you are interested in any one of these plans, please return the form and Mrs. Pat Modenbach, director of development, will personally call on you to arrange a meeting.

We at SSC thank you for taking the time to read this special edition of the newsletter. To all gracious donors, our sincerest thanks from the students, the beneficiaries of your philanthropy.

PRINCIPAL'S LETTER

Dear alumni and friends,

I consider it a great honor and a tremendous challenge to serve as principal of St. Stanislaus. As the school begins its 143rd year, I am awed by the legacy of dedication, commitment, and support that has contributed to St. Stanislaus' continued success in carrying out its mission of Catholic education and information.

This School of Character has prospered through changing times and adverse circumstances because of the loyalty and trust of its faculty, students, parents, friends, and alumni. This faith in the mission of St. Stanislaus is nurtured by the heritage of the past, expressed in the actions of the present, and inspired by the hope of the future. This faith has shown itself in many forms: prayers, hard work, voluntary service, public expressions of appreciation and support, and generous donations.

As we approach the 21st century, we are called to renew and to enliven our faith and participation in the mission of St. Stanislaus as a way of contributing to God's continuing work of salvation in our time and our place. St. Stanislaus is challenged by the changing educational needs of a technological society, by a secularism hostile to Christian values, by youth facing a permissive culture and deteriorating family structures, and by financial realities of rising educational costs.

We stand ready to meet that challenge. Yet, we know that to meet that challenge we need the grace of God with us. I look forward to experiencing that grace through the same fierce loyalty and undying trust that has seen St. Stanislaus through the last 142 years.

Sincerely,

Br. Ronald Talbot

Brother Ronald Talbot, SC

SSC PROGRESSION CORPORATION

SSC Progression Corporation Board Members

The purpose of the SSC Progression Corporation as stated in the bylaws of the corporation (Article IV) is that "it (the SSC Progression Corporation) shall be operated exclusively for religious, charitable, educational and scientific purposes, more particularly, fund raising for St. Stanislaus College." The Board fulfills this purpose by investing and monitoring the funds, by overseeing the fund raising conducted for SSC, and by granting money to SSC as appropriately requested by the SSC Board of Directors. Therefore, all monies, securities, property, and other gifts donated for the benefit of SSC are monitored by the Board of the SSC Progression Corporation. The yearly annual report of SSC contains detailed information about donations, investments, and disbursements.
